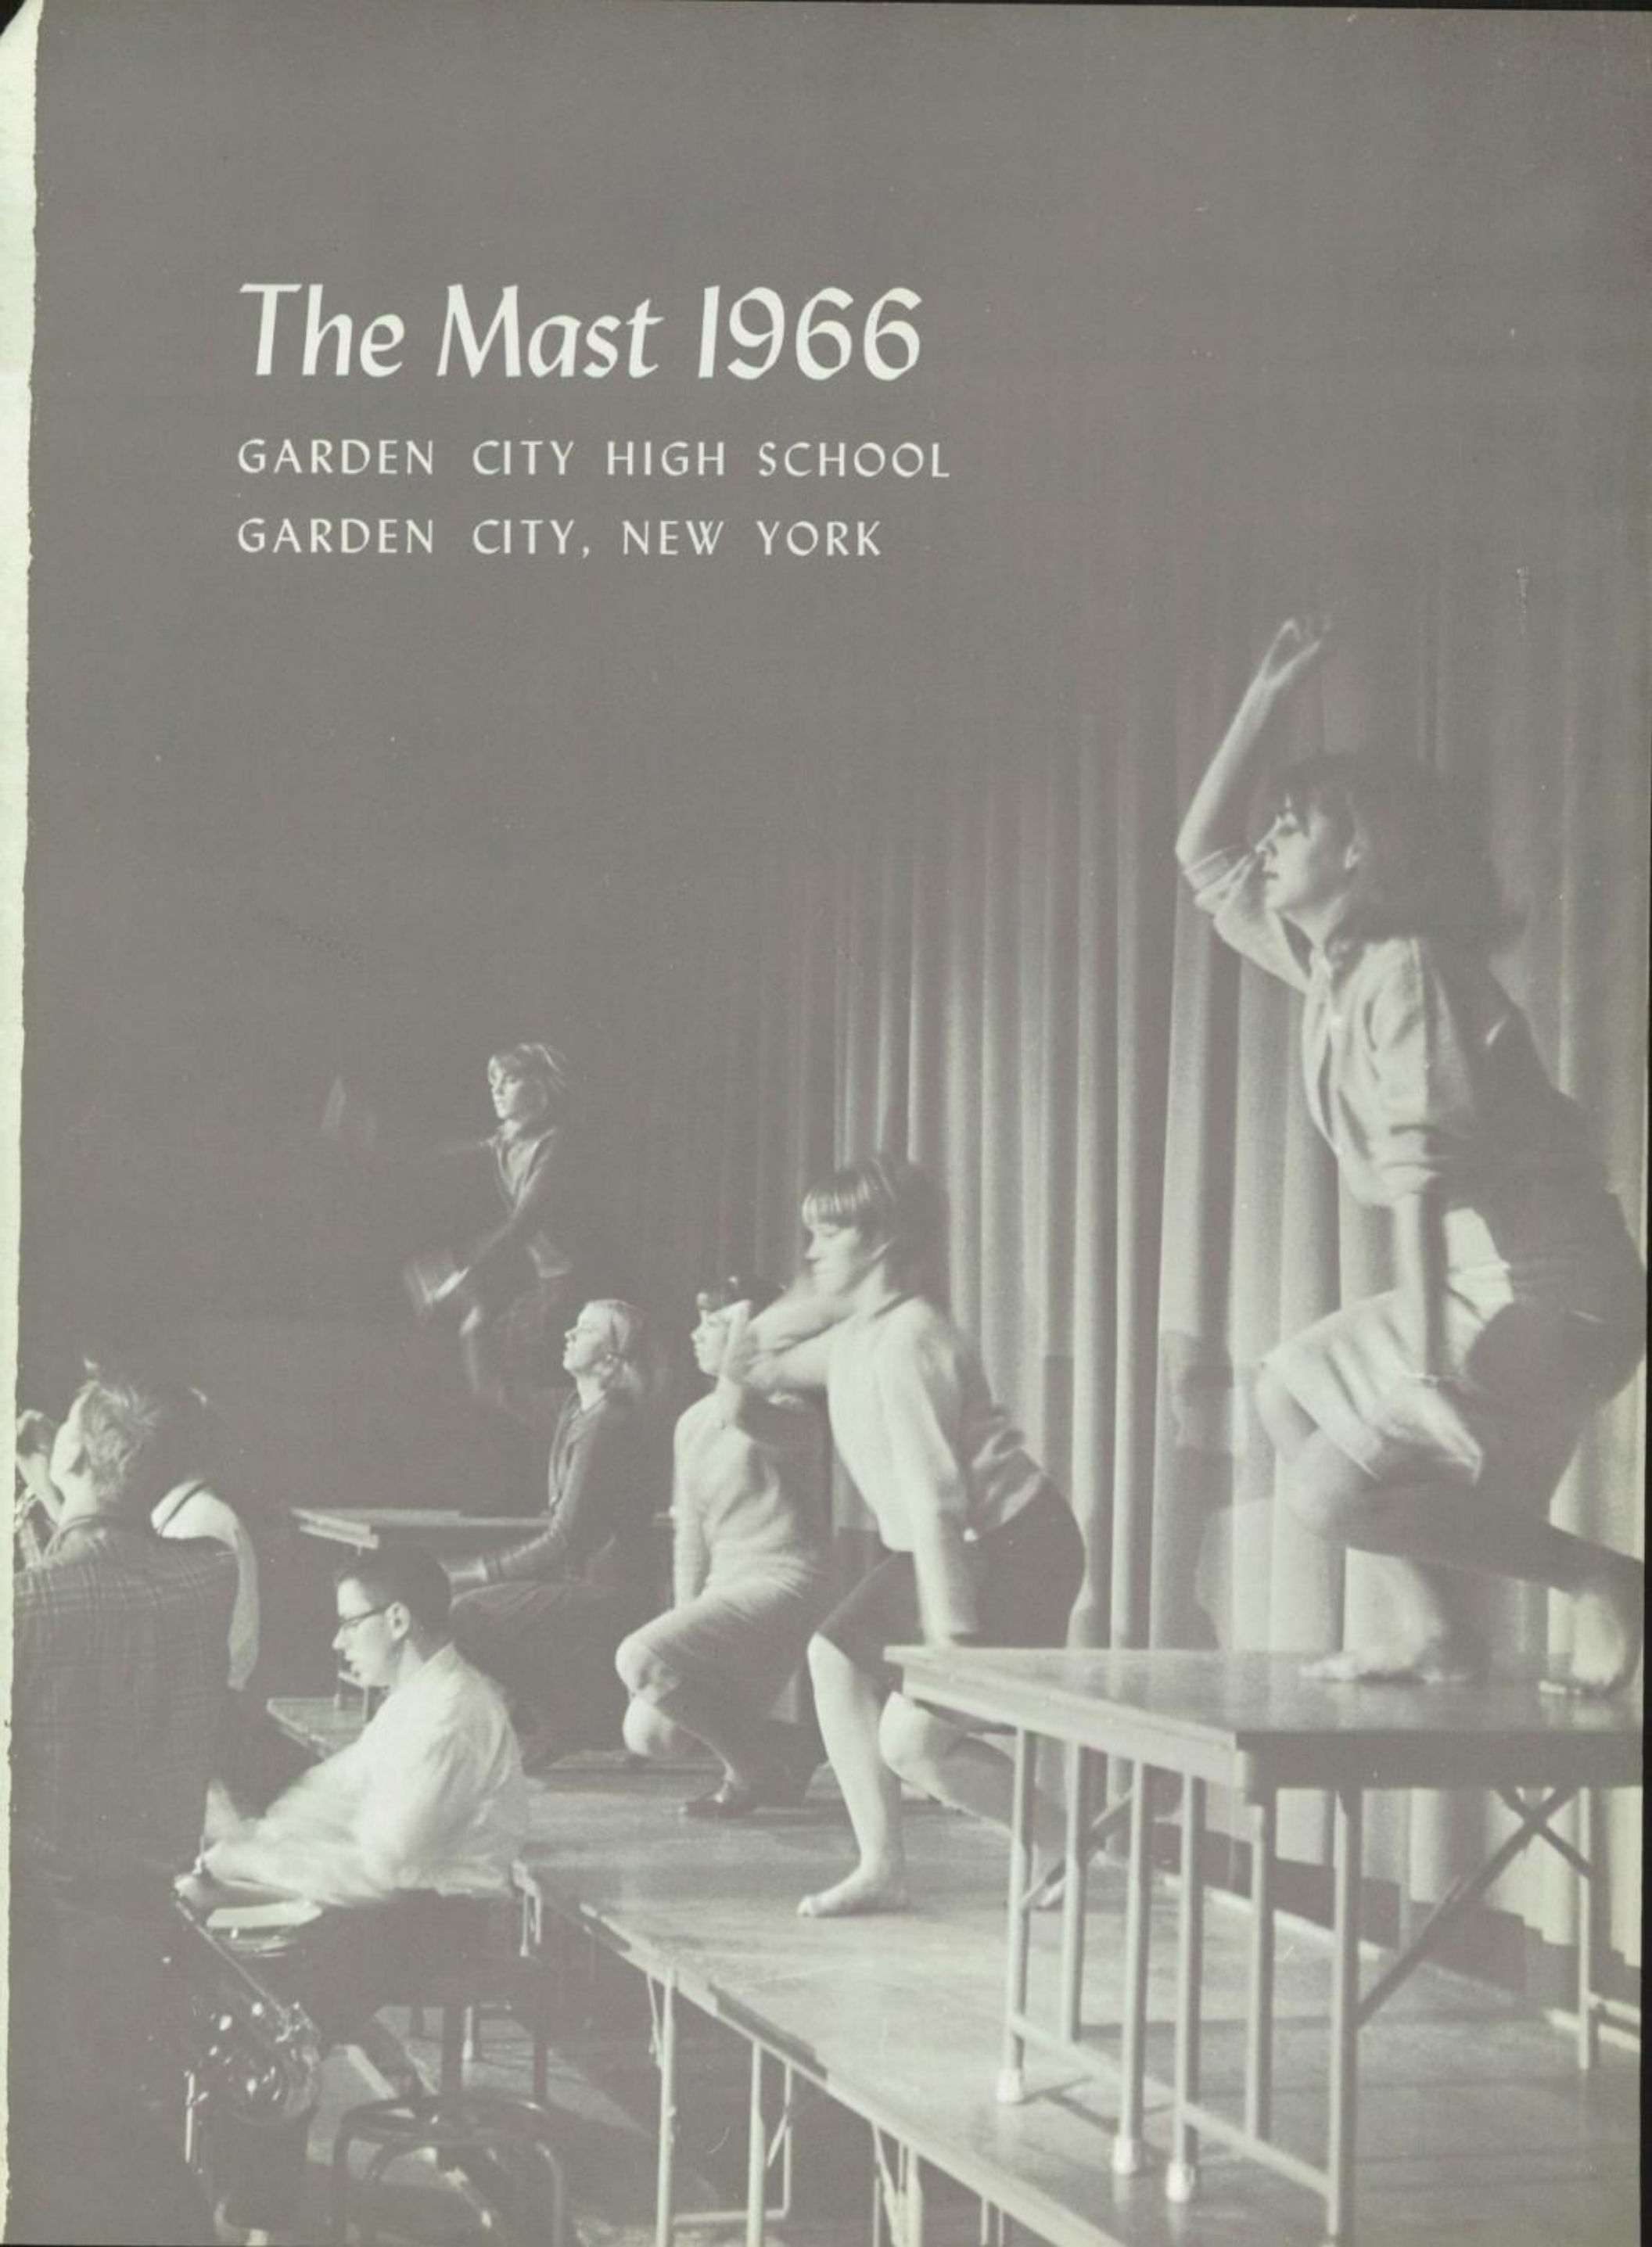
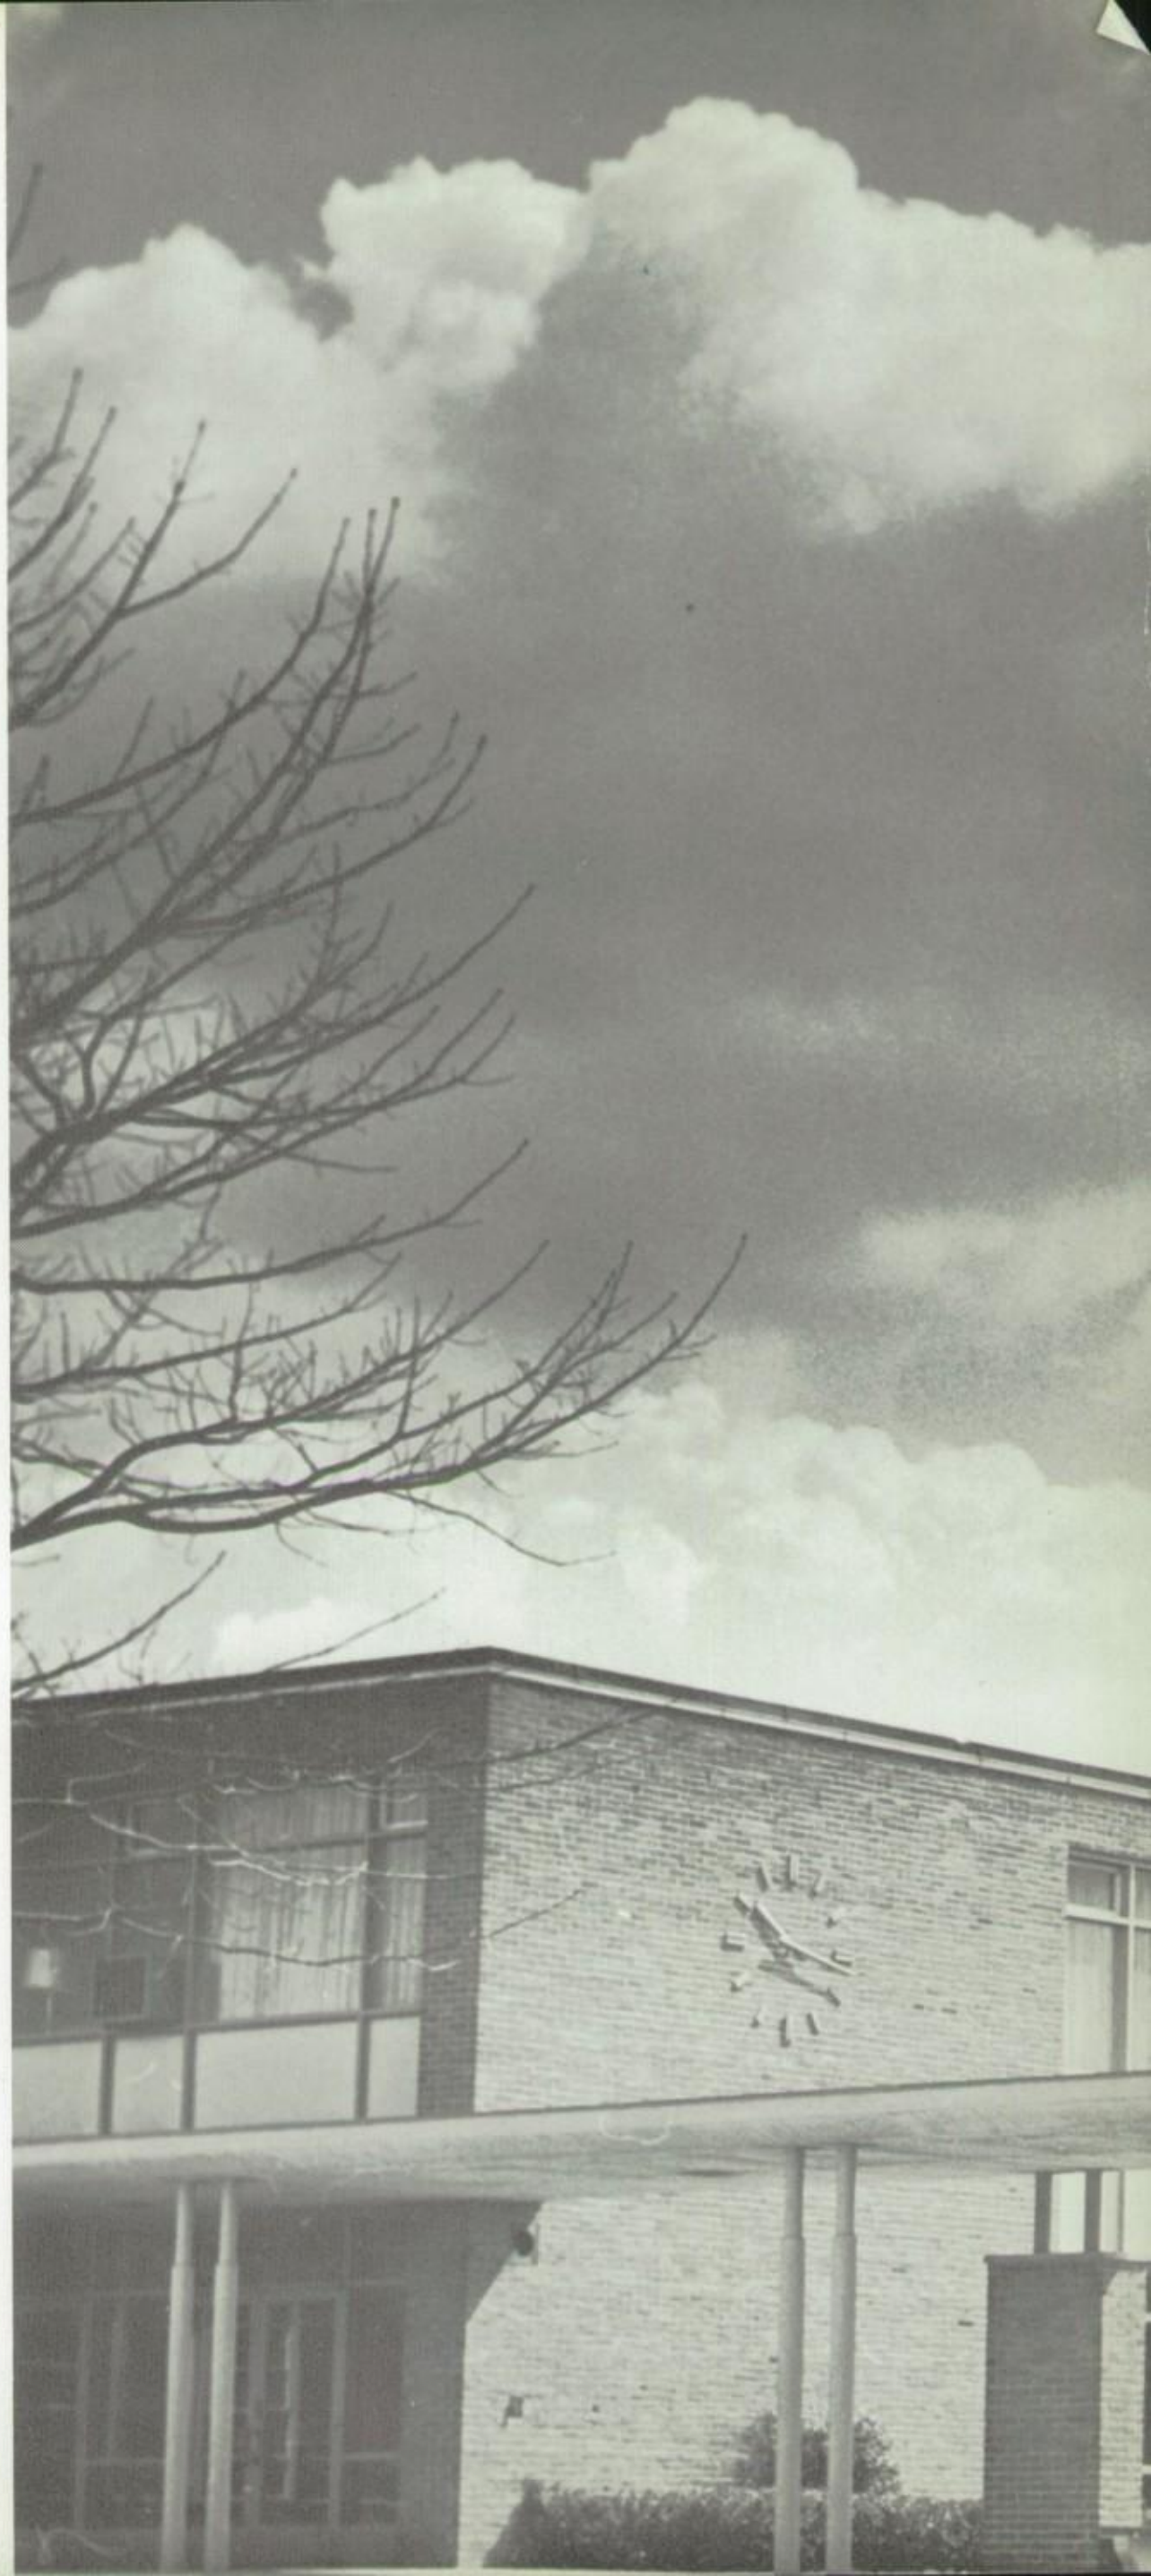
The Mast 1966

GARDEN CITY HIGH SCHOOL

GARDEN CITY, NEW YORK





The present is a fleeting moment, an intangible but inescapable shadow which vanishes as quickly as it comes. Yet when we look backward or forward we find a series of present moments, strung together to form a pattern called life. If we live for the past or future, we live for illusion, because only the present is eternal. Let us then face each present moment not as a step to another moment, but as a block on which we must build our world.

Every man's life lies within the present; for the past is spent and done with, and the future is uncertain.

—MARC ANTONY

DEDICATION

A truly great teacher is one of the most influential promoters of a life-theme of paramount importance, the Present. To a fine lady who can be considered no less than a truly great teacher, we do dedicate our yearbook. She imparts her vast wealth of knowledge upon her students always in relation to the Present. While the subject matter which she handles rarely pertains to the events of today, it is at all times transposed to the Present for us by her skillful teaching methods. Not as spectators who are set aloof in time and in place, but as participants do we see and hear events take place. She makes us understand people and happenings of the past because she equates them with people and happenings of the Present. Furthermore, her firm but just demands impel us to work and to learn; her charm and her wit incite us to work and to learn. Her very personality and character stir in us a deep respect and a warm esteem for her.

Therefore, for her devotion to the Present as both a teacher and an individual, we, the Class of 1966, do dedicate our yearbook to . . .

A MESSAGE TO THE SENIOR CLASS

Two-thirds of your life thus far has been spent in school, and for many of you more years of school lie just ahead, all designed to equip you to enjoy your life through the self-confidence which education brings to you. The ability, courage and strength to go through life without fear of inadequacy and without fear of failure represent the highest attainable forms of happiness and personal security. Self confidence is the key to personal security which rests firmly on knowledge and educational competencies.

I hope that during these past years you have acquired also the desire to continue your education, and the determination and perseverance to give your best efforts to whatever you undertake.

WILLIS W. SLOCOMBE

The class sponsor is an intrinsic component of a class during its years in high school. The faculty member who acts as sponsor is more than a mere representative of the class; he is its supporter, its defender, and its friend. Mr. Willis Slocombe, sponsor of the Class of 1966, has guided and advised us with unending care, patience, and faith through the numerous class functions. Therefore, we, the members of the Class of 1966, take this opportunity to express our humblest gratitude to a man who has helped every one of us.

STUDENT COUNCIL

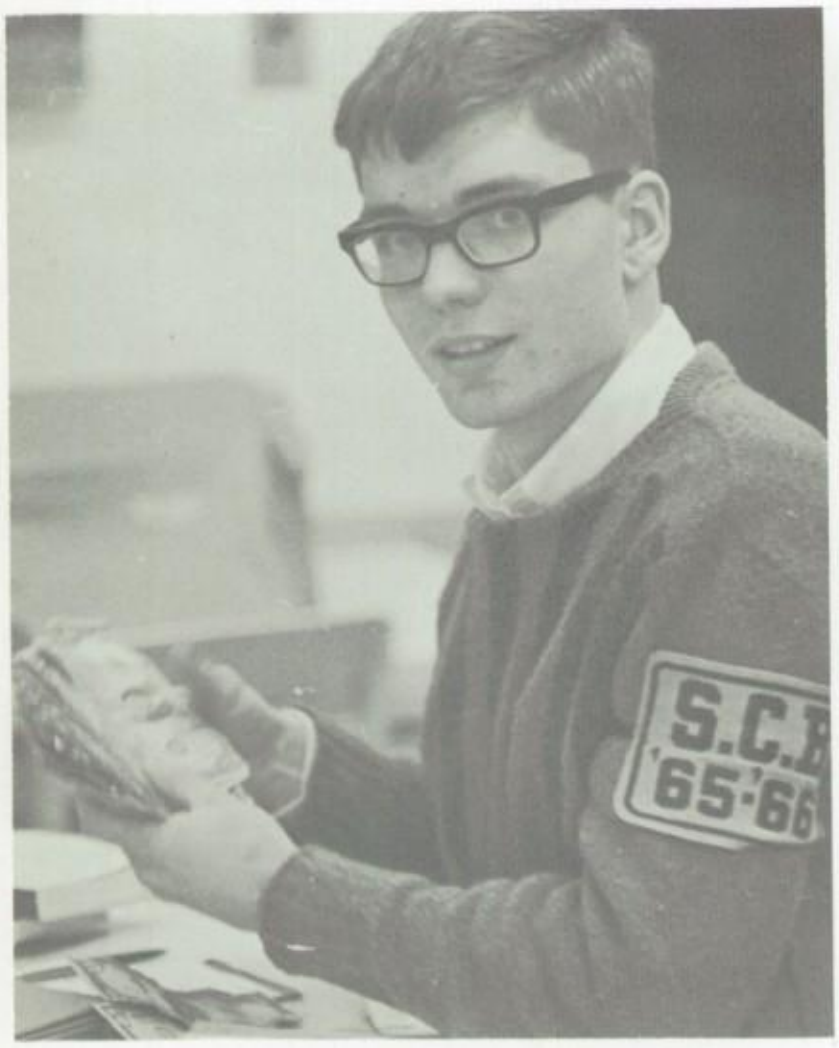
The Student Council is the democratic student governing body of our school. This organization provides a means by which students may voice their opinions on matters which concern them and submit their suggestions to Mr. Thompson for his approval.

The body consists of delegates elected from each homeroom and six officers: President Jon Heidelberger, Vice-President Doug Beck, Secretary Kathy Schroeher, Treasurer Scott Carde, Parliamentarian Bonnie Macandrew, and Sergeant-at-arms Jim Rice.

The two main issues under discussion this year were the obtaining of a school mascot and the reinstatement of the Student Court. Money was appropriated and a Trojan Horse constructed as a permanent school mascot; and by a school-wide referendum, the renewal of the Student Court was rejected.

Under the most able leadership of Jon, the council has prospered and has won a place of respect in the eyes of the students. The Council, under the direction of Miss Snyder and Mr. Tegnell, has helped to provide the students with a fine lesson in self-government and democracy.

"Hey Bonn, I've got ten; how many do you have?"



"Would you believe . . . $300.00? How about $10.00?"

STUDENT CITIZENSHIP BOARD

Thanklessly and faithfully the sixty-six man S.C.B. squad attempted to maintain a semblance of order throughout the high school this past year. With the largest squad in G.C. history, General Sonander's regiment assumed the added responsibility of collecting and tabulating attendance sheets.

Such immortals as Monster Mike Regan, Daring Dennis Mayer, Hot Foot Haberkern, Terrible Taylor and the Healy Gang, provided the persistent effort that made the system work.

There was obviously a marked improvement in the student body's attitude towards the squad this year—as the statistics indicate:

—Only three fatalities on the squad this year

—Only thirty-seven bomb scares during S.C.B. meetings

—Only sixteen mass demonstrations protesting S.C.B. brutality

—President Ince was hung in effigy only eight times

—President Ince was hung only once.

A decisive factor throughout the year was the inspirational leadership and excellent military strategy of General Sonander. A consciencious effort from every S.C.B., combined with the efficiency of Mr. Allen on the administrative end, made a very effective organization this year.

Seated, left to right: J. Siegel, C. Scribner, W. Johnston, D. Mayer, L. Fieldsteel, P. Stuart, V. Raskopf.

STEERING COMMITTEE

The Steering Committee is one of the most important of our many Student Council committees. The group is responsible for any legislation which may be needed for the efficiency of our student government. In addition, Craig Eberle, the chairman, has led the group in a relentless program of reviewing the charters of our many other organizations. Craig also sponsored some additional activities, such as an occasional pizza party.

STUDENT-FACULTY RELATIONS BOARD

The Student-Faculty Relations Board serves as a common meeting ground on which the members strive for a temporary cessation of hostilities between these two traditionally antagonistic groups. The board meets whenever ,in the opinion of the Student Council or the faculty, there exists a problem which merits discussion. When, as on several occasions, the discussion dissolves into fist-fights, Miss Kendall asserts her calming influence, thus championing reason over coercion.

Arzt, B. Lane, M. McDonough, C. Alston. Third row: D. Winchell, N. Jawitz, J. Newman, C. Connor, A. Rosenberg, E. Muller, M. Fitzgerald, A. O'Brien, S. Guba, P. Hogan.

ELECTION COMMITTEE

Every time a school-wide referendum or an election is held, the Election Committee sees that it is done properly. The committee is responsible for Student Council elections and for the approval of petitions, campaign posters, speeches and voting procedures. This year, under the leadership of Mrs. Apostolides and Carol Walb, the elections were handled with precision, clarity and excellence.

BUDGET COMMITTEE

Every activity of the high school operates under a central budget. At the close of the year, each activity submits a requested budget to the Budget Committee. Since the present cenral budget is not large enough to allot each organization its requested sum, the committee must research each request and make the necessary cuts. Finally, the committee constructs a balanced budget for the next fiscal year which is submitted to the Student Council for ratification. This year, Student Council Treasurer Scott Carde is the chairman of the committee under the enlightened guidance of the sponsor, Mr. Ryder.

Bottom row, left to right: G. Robbins, R. S. Carde. Second row: P. Johnston, E. Milner, A. Rosenberg, G. Tobias, C. Sporbert, J. Morrison, M. Norris.

ART COMMITTEE

The task of the Art Committee is to review for approval all posters and displays which are to grace the walls of our school and to assure that they are of a high caliber. Furthermore, the committee prepares suitable decorations for certain occasions and bolsters school spirit through the use of appropriate posters. This year the group was sponsored by Mr. Blakney with Mary Ryan as President.

First row, left to right: J. Creighton, E. Duffy, A. Storm, J. Arwshan, P. Aquino, K. Durr, M. McCaffrey. Second row: J. Manley, L. Hile, N. Tantillo, M. Ryan, B. Rempe, D. Fritts, P. Dalzell, S. Seider, P. Evans.

PUBLICITY COMMITTEE

An organization which provides several important functions for our school is the Publicity Committee. Sponsored by Mr. Boring, the members are charged with publicizing school events, team scores, and team division standings. In addition, the committee maintains a lobby bulletin board and is responsible for distributing maps for away athletic events.

Seated, left to right: C. Keppler, L. Hile, W. Wolfe, B. Laud, W. Ohlerich, C. Flynn.

HEALTH AND SAFETY COMMITTEE

The Health and Safety Committee aids the Student Council in the promotion of health and safety conditions in our school. It sponsors various clean-up campaigns, helps with the annual senior chest X-rays, and maintains a bulletin board for the benefit of the students. The committee is led by Miss Smith and Robert Gates.

Seated, left to right: J. Meci, K. Hubbard, R. Gates, A. Storm, R. Gensel. Standing: W. Wolf, C. Keppler, W. Ohlerich, D. Troutman, R. Gorin, J. Kelly.

HANDBOOK COMMITTEE

The purpose of the Handbook Committee is to prepare a handbook, *The Trojan Guide*, for the benefit of sophomores and new students. The *Guide*, which is distributed at the beginning of the academic year, gives a description of the various committees and clubs along with their sponsors and purposes. In addition, this committee, headed by Mrs. Watts and Kathy Watson, prepares the school calendar, which lists matters of interest that occur during the school year.

Bottom row, left to right: J. Diebold, L. Witkin, C. Alston. Second row: D. Darey, K. Terrence, E. Dolan, K. Watson, M. McCagney, S. Flanagan.

LIBRARY COMMITTEE

Setting standards for student citizenship in the library and making suggestions for the improvement of the same fall under the jurisdiction of the Library Committee. The hard-working group also supervises the sale of the ever-popular paperback books and is responsible for the many artistic displays which grace our library. Tom Motamed, the committee chairman, together with Miss Crabtree, led the group through a productive year.

Seated, left to right: G. Melis, Miss Crabtree, T. Motamed.

JUDICIARY COMMITTEE

Dennis Mayer, Ellin Fredricksen, and Mrs. Sime have led the Judiciary Committee in a relentless probe concerning the possible reinstatement of the Student Court. This issue is one of the most heated ever to be discussed at G.C. The probe ended with a school-wide student referendum which tentatively crucified the court. The clear thinking on the part of the members of the Judiciary Committee was of inestimable value in that it gave the students a precise evaluation of this important situation.

Bottom row, left to right: R. Cash, C. Keppler, D. Mayer, E. Fredricksen, P. Hundemann. Second row: K. Witkin, J. Meci, W. Ohlerich, R. Gorin, K. Hubbard, J. Kelly.

ASSEMBLY COMMITTEE

The purpose of the Assembly Committee is to provide and arrange an interesting and instructive program of student assemblies throughout the year. Mrs. Spiers and Kathy Healy lead the group in planning programs which involve a minimum of expense for the G.O. This year Secretary Ann Hoyt was responsible for all correspondence with guest speakers, including Mr. Formisano, a former teacher, and Midshipman Bergen of Annapolis. The programs are planned for the benefit of the students and are a means of providing culture as well as entertainment for the student body.

ACTIVITY COMMITTEE

The Activity Committee performs a service of great value to the school. The committee keeps records of all the school's many activities, of their meeting days and places, and of their members. Miss Snyder, ably assisted by Jane Haag, provides the group in this necessary task. The committee is also responsible for up-dating and administering the Restrictive Unit Act which is all-important to the close integration of student activities.

First row, left to right: D. Dexter, K. McGann, C. Gray, J. Gray, E. Early, C. Fasciani, R. Oltmanns, L. Jack, B. J. Rempe. Second row: J. McCarthy, J. Miller, P. Bock, J. Haag, Miss Snyder, W. SOCIAL COMMITTEE

The social affairs of the Student Council are organized and carried out by the Social Committee and its co-chairmen Barbara Martone and Sally Padden. Their primary concerns are the annual Winter Wonderland Ball at which our Snow Queen is crowned, and the reception which follows the Student Council elections. The success of these two functions bears witness to the ability and perseverance of this hard-working committee.

Seated on floor, left to right: P. Bock, L. Cartnick, K. Setian, S. Fagan. Seated: L. Manville, P. Hogan, P. Mitchem, J. Arzt, M. Norris, B. Collier, S. Guba.

STUDENT ORIENTATION COMMITTEE

The Student Orientation Committee performs the necessary and important task of acquainting all sophomores and new students with the workings of the school. The sponsor, Mr. Horton, and President, Kathy Setian, led the group this year. The group's main functions are the distribution of student guides to all new students and the distribution and correlation of activity sign-up sheets.

RESERVE FUND COMMITTEE

It is the task of the Reserve Fund Committee to suggest monetary appropriations for various projects which will benefit the entire school. Their suggestions are then considered and decided upon by a school-wide referendum. This year the Committee, under the direction of Mr. Nelson and Doug Beck, has proposed several referenda for student consideration.

OFFICE WORKERS

The members of the Office Workers staff contribute immeasurably to the smooth-running of the school. Participating students give up their free periods to assist in the clerical operations of both the Main Office and the Guidance Office. The group is also responsible for the distribution of the daily absentee list.

LIBRARY STAFF

Students who wish to learn some of the finer points of library technique find ample opportunity to fulfill this goal in the various manipulations concerned with the transfer of books. They further provide a valuable service to students and teachers by supplying them with magazines on request. All members look forward, at the end of the year, to the activity's culminating event, "The Great Annual Ice Cream Festival."

First row, right to left: K. Watson, M. Dean, K. Appelt, Mrs. Marcial, R. Sanna, C. Flynn, M. Graffeo. Second row: F. Billitteri, M. Ahern, P. Johnston, C. Sporbert, M. Fitzgerald, T. Smith, N. Steinert, J. Milie. Third row: G. Robbins, V. Galterio, V. Benna, D. George, C. Smith, G. Christ.

LOST AND FOUND

All articles found around the school building are taken to the Activity Office. Here, under the direction of Miss Snyder, Lost and Found workers assist negligent students in regaining their possessions. These members display unclaimed items and return articles to their rightful owners.

Bottom row, left to right: C. Hipp, P. Connolly, H. Molloy, C. Pollock. Second row: C. Schueler, L. Gray, Mrs. Bauer, P. Mullen, M. Macklin, A. Kalantgis. Third row: N. Mann,, L. Davidson, M. McHugh, S. McNeill.

AUDIO VISUAL SQUAD

The Audio Visual Squad daily distributes tape recorders, film projectors, and phonographs to the members of the faculty. In addition, the squad trains new members in the maintenance and repairs of audio visual machines. With the helpful guidance of Mr. Cunningham, the sponsor, and Andy Flanagan, the President, the squad has given hours of valuable service to our school.

Seated, left to right: A. Flanagan, J. Smith, Mr. Cunningham, K. Owen, R. Kallmen. Second row: R. Kohlmann, J. McCarthy, W. Swanton, J. Salzmann.

STUDENT STORE

The Student Store workers do the school an indispensable service by making available to the students virtually all the commodities they will need in school. Such items as pencils, rules, gym-suits, review books and other special items abound at the store. Mrs. Arnold and Fred Muhlsteff captain the squad.

First row, left to right: D. Danzig, J. Wefer, Mrs. Arnold, J. Duckworth, R. Stambaugh, F. Muhlsteff, B. Fellows.

RED CROSS

The Garden City Chapter of the Red Cross combines enthusiastic representatives from fifty homerooms with the club's officers and other volunteers to further the aims of the national organization. These aims consist of collecting money and useful articles for less privileged people at home and abroad. Under the able leadership of President Cathy Aspland, and Miss Lucha, the sponsor, the members have made an outstanding effort to enlist homeroom support and to investigate local activities and opportunities for service in the community.

TECHNICAL DIRECTORS

Perhaps one of the most vital but less publicized group of students is the Technical Directors. These dedicated members are responsible for sending out the Daily Bulletin, providing microphones for dances, concerts, and assemblies, and playing music during lunch periods. Mr. Cunningham was the sponsor this year.

Seated, left to right: A. Flanagan, B. Eggers, Mr. Cunningham, D. Heitzmann, B. Kohlmann, D. Borner.

First row, left to right: C. Walb, N. Serrell, S. Mitchell, S. Kutner, B. Martone. Second row: S. Finneran, K. Schroeher, P. Hartmann, A. Harrison.

MAGAZINE DRIVE

During the second week of October, the entire student body rang doorbells in search of subscriptions for the annual Magazine Drive. This drive comprises the main source of income for the individual class treasuries, and it also aids in providing funds for the various school activities. Each day in the Meeting Room, amid loose money, flying tapes, and bewildered homeroom captains, announcements were made, accounts written, and prizes distributed under the direction of Chairman Sue Mitchell and Co-chairmen Shelley Kutner, Nancy Serrell, and Carol Walb. The termination of a tremendously successful drive was celebrated by a dinner date at Stouffer's.

FIRE PATROL

The Fire Patrol is a group of boys who are trained in fire-fighting methods and are able to assist the faculty in carrying out fire drills. The main activities consist of running the school fire drills and patroling the halls during assembies. This year outstanding members were Ken Smith, the captain, Jeff Mera, and Andy Flanagan.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America is a club with one distinctive purpose, to aid and encourage those students who are considering careers in the field of education, and to try and interest others in this worthwhile and rewarding profession. This year finds the executive board dominated by seniors: President, Sheila Lyons; Vice-president, Judy Meyers; Secretary, Lois Dreher; and Treasurer, Joan Eberle. Mrs. Schnaubelt, the sponsor, is an interested and invaluable asset to the club. The members enjoy working as Teacher's Aides for various teachers in the high school, and there is a Student-Aide program which is carried on in the nearby elementary schools. The club also has various speakers and offers lectures by teachers and others who are able to offer valuable information and advice to the members.

First row, left to right: C. Scribner, C. Schenck, M. Blankley, G. Ingram, L. Campbell. Second row: N. Gerard, S. McNeill, S. Smithson, K. Cody, Mrs. Bernstein, J. Baerenklau, E. Venables, J. Stigliano, C. Sheehy, P. Gordon. Third row: C. Connor, C. Fields, C. Tiffany, J.

FUTURE NURSES OF AMERICA

Future Nurses of America works to unite those girls who are interested in exploring the various aspects of nursing. Through guest speakers, films, field trips, and discussions, the members are given every opportunity to choose intelligently their course of future study. A highlight of the club is the Christmas project by which a needy group of people is exposed to the benefits the club can offer. Under the able leadership of the school nurse, Mrs. Bernstein, and President Janet Baerenklau, the club encourages its members to enter nursing.

FRENCH CLUB

Aimez-vous le francais? The French Club increases students' enjoyment of the language through an appreciation of the French people and their culture. Miss Dunlop, the sponsor, and President Kathy Du provide an opportunity for informal conversation in the language, and such activities as speeches from students who have visited France, a Christmas hootenanny, and games.

SPANISH CLUB

The goal of the Spanish Club is to promote interest in Spain and Latin America among the student body. This year, the executive board presented a diverse program including a Spanish dinner, a Christmas party, and various films. In addition, Margo Chagoll and Martha Vazquez showed slides of their experiences in Spain and Mexico. A highlight of the year was a field trip to *Man of La Manaka*, a popular off-Broadway play. The club was led by the capable president, Margo Chagoll, and guided by the enthusiastic sponsor, Miss Hurry.

LATIN CLUB

The Latin Club offers scholars of the language both an entertaining and instructive background in Latin and Roman culture. Consuls Bill Green and Mac Norris organize a number of Latin feasts (pizza parties) through which the students discover many of the aspects of life in ancient Rome. The club members gain their knowledge from such sources as audio-visual aids and the sponsor Mr. Bruni, "one of the few experts on Latin culture in the world today."

GERMAN CLUB

This year, the German Club, under the leadership of Mrs. Dubsky, the sponsor, and Marcia Wright, the President, plans a broad range of activities to interest every member. Meetings are conducted bilingually so that both beginning and more advanced German Students may benefit. Emphasis at the meetings is placed upon participation of everyone present. This often takes the form of singing German folk songs. Musically talented members are also encouraged to perform German works. To further its knowledge of German music, the club plans a field trip to the Metropolitan Opera. Lectures and films in both English and German, covering a wide range of topics, round out the club's program. Although the club plans to hold several meetings jointy with the Humanities Club, anyone interested is welcome to attend each of the meetings.

GEDANKEN DER JUGEND

Gedanken der Jugend is the school's German-language literary magazine. It contains articles, stories, and poems, both serious and humorous, reflecting the opinions and expressing the thoughts of the students. Emphasis is placed both on the writing and on the illustrations done by the contributors under the direction of Mrs. Dubsky, the sponsor, and Marcia Wright, the editor. This year, the staff was rewarded for its hard work by a congratulatory letter from the cultural attaché of the West German Consulate.

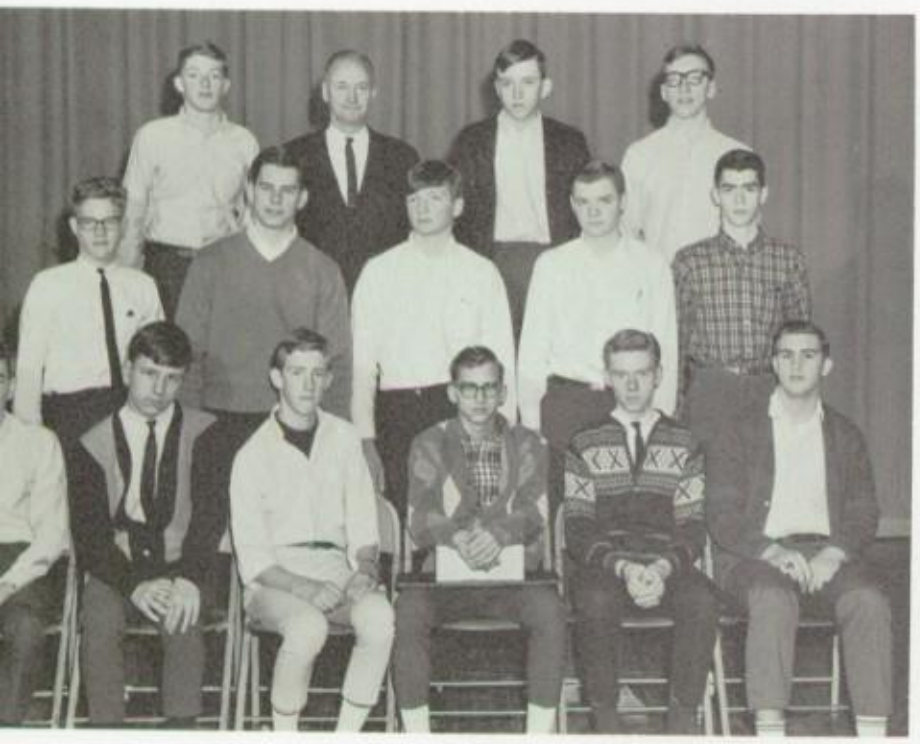
DEBATING CLUB

Giving the students the opportunity to practice public speaking is one of the purposes of the Debating Club. Through tournaments with other schools, the members are taught to organize their thoughts and learn about current problems. This year, Mr. Wojnar was the sponsor, and the President was Sue Oswald. The club is affiliated with the National Forensic League.

Seated on floor, left to right: B. Laud, D. Dexter. Seated: L. Lewis, C. Corso, G. Robbins, S. Oswald, Mr. Wojnar, M. Halsted, S. Winningham.



CHESS CLUB

Every Thursday afternoon cries of exaltation can be heard from room 210 as members of the Chess Club terminate their matches. Headéd by President Jim Salvatore, this club promotes interest in playing better chess through instruction given by the sponsor, Mr. Walter, to any student. At the end of the year the club holds a tournament to determine the school's champion chess player.

"Now girls, you've **got** to give the audience what it wants."

"Where'd he go?"

MASQUERS

One of the largest and most popular groups in the school is Masquers. Twice a year students display their diverse talents in plays aimed toward the typical culture-minded student and parent. For about six weeks before each production the little theatre, auditorium, and "green room" are alive with frenzied activity. The students design and build their own sets, provide the props, and sew the customes as well as direct and act in the plays.

Under the able leadership of faculty sponsor Mrs. Spiers, each production is usually greeted by a large turn-out of parents, students, and theatre devotees in general. This year's fall play was *My Sister Eileen*, starring two of our veteran actresses, Carrie Hayes and Nancy Lang. The play's student director was Masquers' President, Barbara Molter.

HUMANITIES CLUB

For those students who wish to broaden their cultural horizons and participate in a variety of activities of diversified interests, the Humanities Club, under the sponsorship of Miss Boken, affords a perfect opportunity. The club provides students with a situation in which they may expand their interests and increase their knowledge of topics ranging from jazz to graphology. President Tom Brown, Vice-President Barbara Laud, and Secretary Bonnie Macandrew have worked diligently to provide activities in which the members themselves can participate. This year the Humanities Club has sponsored an International Dinner which was held at the home of Tom Brown. The dinner was prepared by the members and featured food and entertainment from all parts of the world. Field trips this year encompassed everything from theater trips to hiking.

CHEF'S CLUB

Under the leadership of Mrs. Niedbalski, President Edward Muller and his fellow chefs have endeavored, every Tuesday afternoon, to learn the basic skills and techniques of the culinary art. This year's highpoint was the large festiyal dinner to which female guests were invited. At this affair our chefs assertively proved that they could be completely independent of the opposite sex in the kitchen.

ART CLUB

The Art Club, sponsored by Mr. Blakney, seeks to inspire creative genius by giving the interested student an opportunity to experiment in a greater variety of, and to work on, extensive projects. These individual efforts are culminated in the annual Art Show, scheduled for May. Under the direction of President Missy Keyes, the Club has hoped to once more uncover the hidden talent in this school.

RADIO CLUB

The Radio Club is an organization which maintains and operates an amateur radio station and promotes an interest in electronics. Under the supervision of Mr. Badger and President David Johnson, the club offers a code course to aid prospective hams in obtaining a novice license. Other activities include a metal detector project and a study of the VFO power supply.

Bottom row, left to right: D. Borner, D. Heitzmann, P. Taylor, D. Johnson, R. Kollman, D. Rizzi.

ECONOMICS CLUB

As a new organization this year, the Economics Club hopes to promote an increased interest among the students in all phases of economics in future years. The main activities of this club are hearing guest speakers, discussing such subjects as taxations, Social Security, and the Stock Exchange, and organizing a field trip. The sponsor is Mr. Colbert and the President is Hattie Westphal.

Left to right: P. Stuart, Mr. Colbert, E. Docherty, J. Fleming.

MATHLETES

Mathletes is a group of interested mathematics students who represent Garden City in inter-scholastic mathematic competition. Each month the squad competes in the Nassau County Mathematics League contests. Under the direction of Mr. Biviano, the team attained new heights in the field of mathematics.

Seated, left to right: R. Ginns, E. George, R. Oltmanns, Mr. Biviano, K. Kirby, R. Scharff, G. Robbins.

BOTANY CLUB

The Botany Club, under the supervision of Mr. Turkel, promotes the study and greater appreciation of plants. During its weekly meetings, the club's members establish a small herbarium of indigenous plants, prepare permanent slides of plant specimens, and learn the techniques of plant-pressing. President Betty Oosterom also organizes occasional field trips.

Seated on floor, left to right: S. Feeney, C. Zabler. Seated: J. Belair, B. Oosterom, Mr. Turkel, K. Watson, N. Steinert, B. Wolf, B. Hill.

PHYSICS CLUB

The Physics Club gives students having an interest in physics the opportunity to expand their interests, while having fun at the same time. The club's activities include guest lecturers, contests, and a program on the basics of computers. The sponsor is Mr. Miner and Don Heitzmann is President.

Seated on floor, left to right: A. Rosenberg, S. Nevin, G. Robbins, R. Franz, D. Pansini, E. Hess. Seated: C. Sporbert, D. Mayer, P. Taylor, D. Heitzmann, A. Delyanis, D. George. Standing: R. BOYS' BIOLOGY CLUB

Sponsored by Mr. Walter, male students can further their studies in the field of biology in the Boys' Biology Club. Members of this club perform dissections on fetile pigs, crayfish, and large bullfrogs. By means of advanced dissections, the boys explore all fields of biology.

GIRLS' BIOLOGY CLUB

The Girls' Biology Club, during its bi-weekly meetings, furthers the study and appreciation of biological techniques. Under the supervision of Mr. Zilka and President Kathy Watson, these devoted girls perform such activities as embedding specimens in plastic, dissecting fish, and taking occasional field trips. Aside from these main activities, the girls also hear discussions from guest speakers, and climax the year with an annual tea.

BAND

"S" stands for spirit, Sousa, Sheldon and *Sounds Unlimited*. The Band, headed this year by President Bill Sheldon and under the Direction of Mr. Donald Chadderdon, comprises perhaps the largest group of spirited, hard-working, responsible students in the school. This fall they not only added pep to the football games, but also performed an outstanding concert in tribute to John Philip Sousa. Mid-winter found the Band hard at work ,preparing for their March 11 Concert—a production that will not soon be forgotten. In the three weeks that followed, every member pitched in and helped to make the P.T.A. Show, *Sounds Unlimited*, one of the most successful this department has ever presented. The remaining weeks of Spring were spent in preparing for N.Y.S.S.M.A. and the rating the band received speaks for itself, indicative of the hard work necessary to achieve it.

"I knew those Wipeout girls would get the crowd going!"

"I am, you are, he is . . ."

DANCE BAND

Dance Band is a dedicated group of instrumentalists who meet each week to play the music of the "big band." The uniqueness of the organization lies in the fact that it exposes its members, and the student body as a whole, to a kind of music which would otherwise be unknown to them. The range of music is broad and varied. This year we have played everything from Dixieland Jazz, to rock 'n' roll, to modern jazz. Dance Band's big and enjoyable task this year has been presenting the P.T.A. Scholarship Show. Also, it has played at the dances following the instrumental music concerts. Under the leadership of our sponsor, Mr. Chadderdon, ably assisted by President Bob Hughes, the organization has flourished and grown, giving each of its members a memorable and rewarding experience.

ORCHESTRA

The Orchestra provides opportunities for players of stringed instruments to add their talents to the instrumental music department. Meeting daily, he organization exposes its members to many different kinds of music, ranging from classical selections to "pop" tunes. Aside from this, Orchestra has provided certain intangible benefits to the student body as a whole by introducing them to forms of music which would otherwise be unknown to them. Under the leadership of our dedicated director, Mr. Chadderdon, assisted by President Ken Shachmut, the award-winning orchestra played in the John Philip Sousa Memorial Concert, the Winter Concert, the Spring Instrumental Concert, and the P.T.A. Scholarship Show. Orchestra has provided each of its members with a widening and enriching musical experience.

MAJORETTES

The Majorettes is an organization that provides entertainment for the school throughout the year. These enthusiastic girls, operating in conjunction with the Band, perform at football games, at the March concert, and at the Memorial Day Parade. Their colorful uniforms add much to the spirit of athletic events.

COLOR GUARD

The Color Guard consists of dedicated students who assist the marching band in its various activities. Besides displaying the flags at home football games, the Color Guard also marches in the Memorial Day Parade. The sponsor is Mr. Chadderdon, with Kathy Ritter and Nancy Ehmann as Co-presidents.

CONCERT CHOIR

Concert Choir, under the direction of Mr. Konowitz, is composed of about one hundred thirty students who have mastered the fundamentals of music and who enjoy using their skills to perform more complicated pieces. This group displays its efforts at Christmas and Easter concerts, and at other functions such as the annual tree-lighting ceremony and a concert at the Junior High School. Under the leadership of President Kathy Setian, the Concert Choir worked daily this year to pursue its endeavors in the field of choral music.

GIRLS' CHORUS

Every day during sixth period, melodious sounds from the Girls' Chorus can be heard throughout the school. This organization allows girls to perform works for soprano, second soprano, and alto in both secular and religious music. President Sue Irwin has a big part in conducting classes. Girls' Chorus adds a light tone to both the Winter and Spring Concerts.

CELESTONES

Girls with exceptional musical ability form our most selective singing organization, Celestones. Under the direction of Mr. Konowitz and officers Kathy Healy and Jill Hobson, the group sings difficult music for performances. A significant part of the curriculum concerns solo work and the development of the individual voice. The group is composed of twenty girls from the senior, junior and sophomore classes.

MIXED CHORUS

The Mixed Chorus is composed of girls and boys who are interested in singing, but who have limited experience in choral music. Focus is placed on development of sight-reading proficiency and those skills which necessarily constitute the production of successful musical performances. The Mixed Chorus, under the direction of Mr. Konowitz, performs twice a year in concerts.

G.C. GENTS

After a two year absence, G.C. Gents has returned this year to give interested boys a chance to perform in a small ensemble. Under the direction of Mr. Konowitz and President Dennis Reicherter, the boys have gained considerable experience and musical knowledge. The group has made great progress as demonstrated by their performances in the winter and spring concerts.

FOLKSONG CLUB

Students interested in folk music flock every week to the meeting of the Folksong Club under the sponsorship of Miss Kendall and President Jill Hobson. The club's meetings include presentations of songs by various club members and guest folksong enthusiasts from other schools. The main activity of the club is putting on an assembly in front of the entire student body.

"Just show some appreciation, and no one will get hurt."

ORGAN CLUB

The Organ Club supplies the school with music at assemblies, concerts, and such special ceremonies as graduation. In addition, the club provides its members the opportunity to gain experience in performing organ music and in taking care of the organ. This year the club was directed by sponsor Mr. Konowitz and by Teddy Muller, Lynn Hile and Janet Odgers.

INK SPOTS

Ink Spots is our school's literary magazine for the encouragement of creativity in writing and art. With inspiration from Editor Betty Rempe and faculty sponsor Mr. Wardner, the Literary Staff selects notable poems, short stories, and essays to appear in the magazine, which is published annually. Illustrations and lay-out are the responsibilities of the Art Staff, headed by Marcia Wright. Business Manager Steve Winningham and his staff are responsible for soliciting advertising.

The resulting publication is a superior one which has merited respected high school literary awards. *Ink Spots* is interesting and entertaining to read, and gives both our budding and accomplished writers and artists a chance for self-expression.

QUILL AND SCROLL SOCIETY

The Quill and Scroll is the International Honor Society for high school journalists. Induction into Quill and Scroll is a definite honor bestowed on those members of *Mast*, *Ink Spots*, *Echo* and the various language magazines who have earned such recognition by outstanding service to their publication. This year, in an effort to activate interest in the Society, meetings and assemblies with special guest speakers have been planned. The group is headed by President Marcia Wright, Secretary Betty Rempe, and Treasurer Ron Ginns.

Bottom row, left to right: D. Weisfuse, A. Johnston, S. Bevan, M. Wright, R. Ginns, B. Rempe, M. Chagoll. Second row: R. Kendall, C. Mayer, W. Taggart, J. Goodwillie, D. Mayer, D. Fritts, C. Haberkern.

The National Honor Society is composed of students whose scholarship, leadership, character, and service are judged outstanding by the faculty and current Honor Society members of a school. Since just five per cent of a junior class and ten per cent of a senior class are inducted into the Society each year, both the honor and the personal satisfaction of being a member are great.

In addition to enjoying the prestige and the privileges of being part of the Honor Society, the members of the Garden City Chapter, directed this year by sponsor Mrs. McNally and President Mark Tomasko, have performed many services to our school. Under Honor Rating Chairman Jeff Jenks, and Honor Roll Chairman Marcia Wright, the organization has prepared the honor roll for each quarter of the school year and has sent congratulatory letters to the parents of honor students. Under Vice-President Charlie Haberkern, the Honor Society members have tutored those students of the school who have wanted help with their studies. Under the Society's officers and Kathy Healy, Sue Oswald and Kathy Setian, the annual induction was planned for the eighteenth of February, at which time Dean Clark of Yale University addressed the student body.

"Homage to Eli."

OLD HONOR SOCIETY MEMBERS—Bottom row: C. Haberkern, W. Sheldon, M. Wright, M. Tomasko, J. Jenks, N. Serrell. Second row: S. Oswald, D. Hall, P. Stuart, K. Setian, Mrs. McNally. Third row: M. "Another deadline . . ."

ECHO

The moans, groans and shrieks heard issuing from the Activity Office indicate that another deadline for *Echo* is near! The *Echo* office is the place where reporters, typists, writers, proof-readers, page-editors, and photographers converge to contribute what they can to the school paper. Editor Ronald Ginns, Managing Editor Ronald Scharff, and Mr. Bergen, the sponsor, put a great deal of effort into uniting all the many facets to form the newspaper of Garden City High School, *The Echo*. The *Echo*'s purpose is to serve as a means of communication within the High School. The staff has attempted to do this by printing factual news stories, exciting feature stories, interesting sports reports, and helpful and thought-provoking editorials.

MAST

To the music of clacking typewriters, frenzied shouts, and despairing moans, the 1966 *Mast* emerged from a vague idea to a solid four-pound reality. Created out of frayed nerves, short tempers, and a generous helping of inspiration and laughter, our yearbook holds the past year captured in its pages, a year forever gone, but not soon forgotten.

Mast meetings were plagued with frequent storms, but on the brighter side, members of the staff had excellent opportunities to brush up on their amateur photography techniques. Co-editors Margo Chagoll and Charlie Haberkern exhibited their financial wizardry that was undoubtedly brought forth by the stark necessity of penny-pinching. Through the long, dark days of missed deadlines and Wetson's hamburgers, a book of shared memories was produced, reflecting the joys, disappointments, successes and failures of the present now turned into the past.

"I used a man's deodorant . . ."

"Look, Look . . . see **Mast** work."

"But Taggsie-pooh, we needed those pictures in September!"

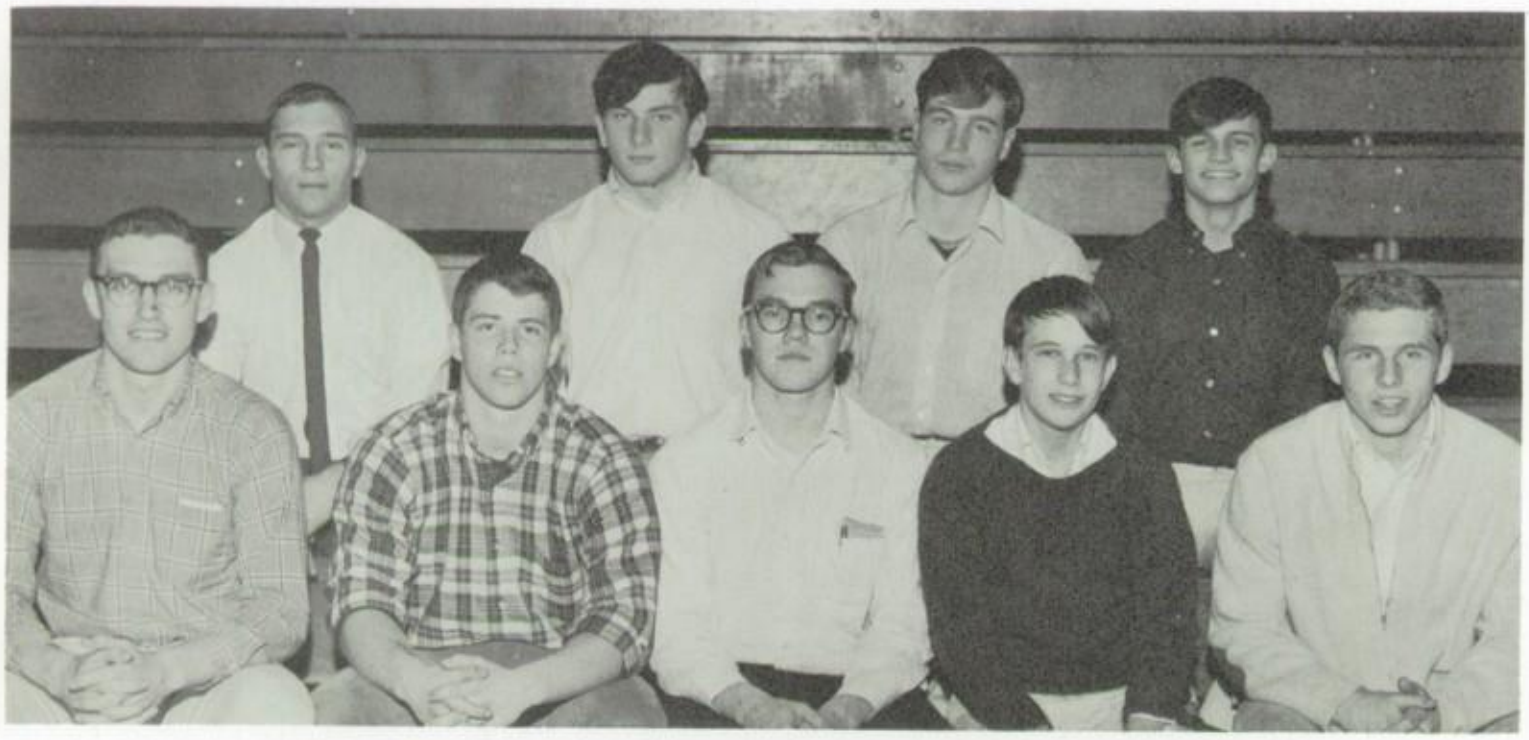
VARSITY CLUB

The purpose of the Varsity Club is to give recognition to the achievement of Garden City's athletes. To become a member, a boy must have a total of one-hundred and fifty points, which is the equivalent to three varsity letters, and the approval of the coaches. The president of the Varsity Club is Jim Roth.



First row: J. Roth, C. Rullman, G. Tobias, B. Mitchell, L. Smith. Second row: R. Bankes, R. Frisbie, J. Latson, R. Carnegie.

BOYS' ATHLETIC ASSOCIATION

The B.A.A. is an organization composed of representatives from each grade who have demonstrated exceptional skill in athletics. Its purpose is to promote sportsmanship character throughout the high school. With Charles Rullman as its president, the B.A.A. sponsors a dessert dinner at the end of the year and distributes letters to boys who have participated in interscholastic sports.

FOOTBALL

Although Garden City won only three out of eight games, the team had a winning season. The team played well with very few fumbles, which have plagued us for many a season. Russ Bankes and Vaughn Topping alternated at quarterback with Bill Sheldon, Rick Frisbie and Charlie Rullman in the backfield. The linesmen did a fine defensive and offensive job, and two of them, Phil Falk and Jim Venier, made Newsday's all division team.

G.C. dropped its opening game to Syosset by the score of 12-6. The only score was by R. Frisbie. One week later we ran up 20 points to Great Neck South's 0. Frisbie scored two touchdowns, one a thirty yarder, and Sheldon scored on a 33 yard run. Rullman scored on a sixty yard romp and Topping bombed a seventy yard scoring pass, but both were called back on penalties.

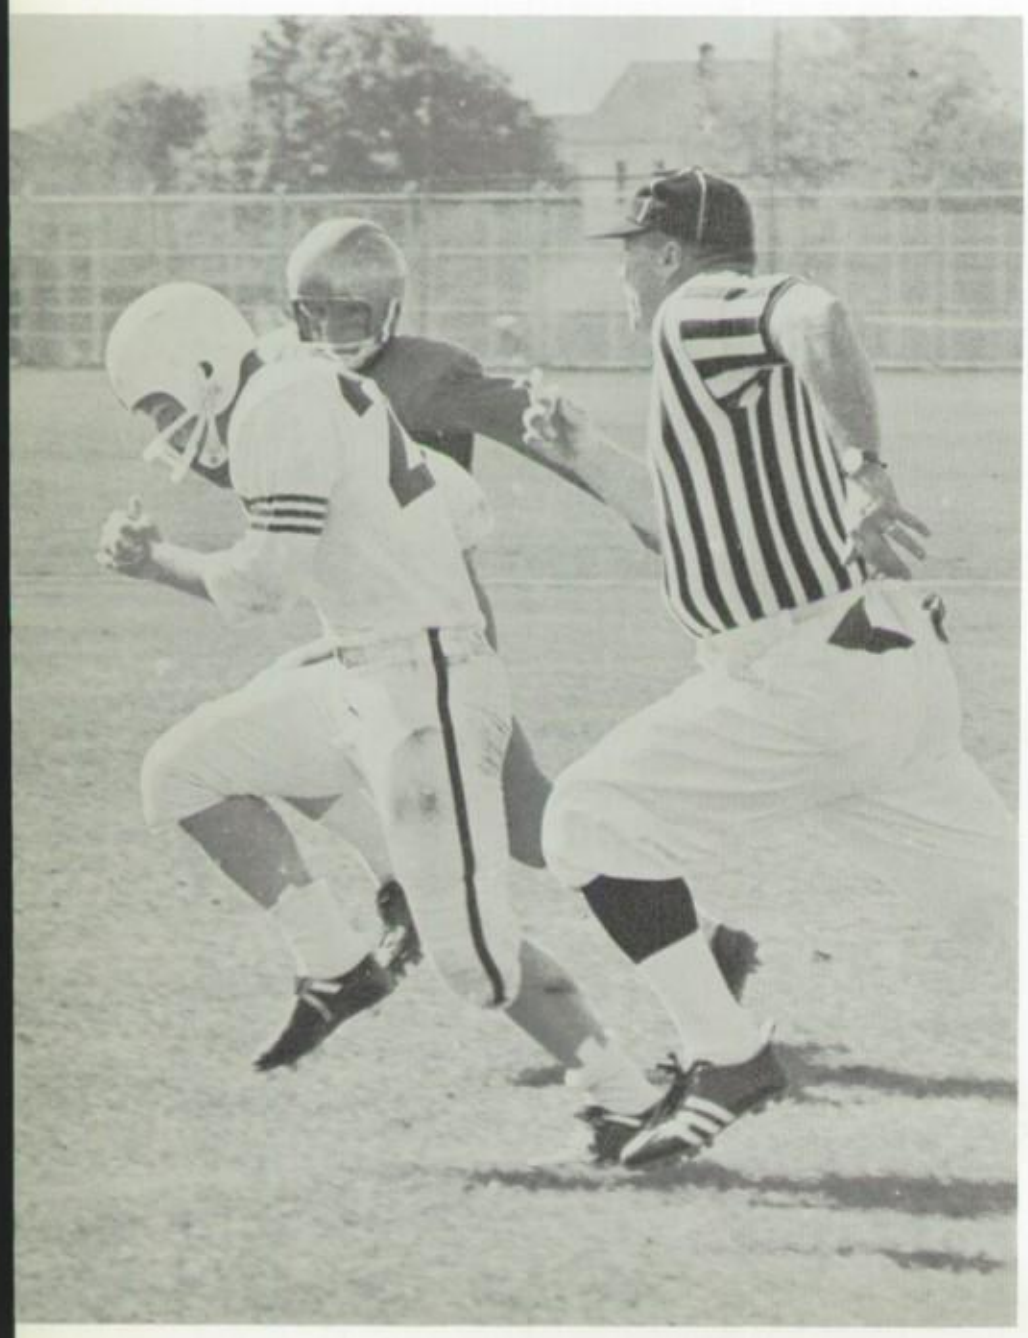
The following week Garden City was downed, 13-12, by Bethpage. Newsday had predicted a 45-14 defeat for G.C., but we were rougher than expected and far outdistanced Bethpage in yardage. The game was won on an extra point boot.

The next game resulted in a victory parade that was half a mile long. After seven years of defeat, Garden City finally tamed the Mineola Mustangs. Steve Latham, "Warren's secret weapon," kicked the extra point after Frisbie barreled seven yards through the Mustang line for the touchdown. Mineola was held to six points in the biggest game of 1966.

G.C. romped over the Highlanders from Herricks by a 28-7 score. Both offense and defense played well.

"Ever had that feeling that you're being followed?"

"Rip!"



Although Port Washington won the game, 14-7, it was a Garden City victory. The Port "machine" was held to 14 points, a drop from their average 36 per game. Topping scored in the last three minutes of the game and time ran out as Garden City was threatening to pull an upset.

Great Neck North won the next game, 13-6, in a hard fought battle. The lone Trojan score came from Rick Frisbie.

G.C. closed out the season by trouncing Manhasset, 21-0. A touchdown by Frisbie, two by Sheldon, and three soccer style extra points by Steve Latham won the game.

Wefer, Coach Briller, Mgr. C. Cartnick.

SOCCER

The soccer team completed a fairly good season with a 7-4-1 league record for a second place. The team beat a tough Oceanside team in its opening game. Paul LeSueur helped win the game when, with seven seconds left, he booted a goal from the corner. The first six games were all victories and Garden City seemed ready to clinch the championship. But then we started losing. The deciding loss was to Great Neck North, by a 4-3 score. The next week, for the first time in history, we lost to Mineola. Following that came a 6-1 victory over Great Neck South and one over Herricks.

The players this year were as follows: John Sanzo tended the goal with Dave Troutman and Andy Hritz as fullbacks; halfbacks were Pete Johnsen, Henry Ring and Rick Caine; Paul LeSueur and Nelson Brewer were the wings; Bob Carnegia and Geoff Tobias were the insides; and Craig Greiner was center forward.

Special merit should be given to Paul LeSueur, who made the All-County Soccer Team and to Geoff Tobias, who made the All-North-Shore Team.

TENNIS

Chief Corbridge's Tennis Squad improved its record this year. In one of the toughest leagues in the state, the team finished with a tie for third place in our division. The team played erratically, winning the first three matches, losing the next three, winning two more and finally, dropping the last two matches. In the singles, John Ince, Peter Behm, Steve Baldwin, and Larry Smith played well, as did the doubles team of Bob Vollmerhausen and Alex Eckmann. Next year three starters—John Rogers, Frank Fortney, and Bob Mitchell—will be back.

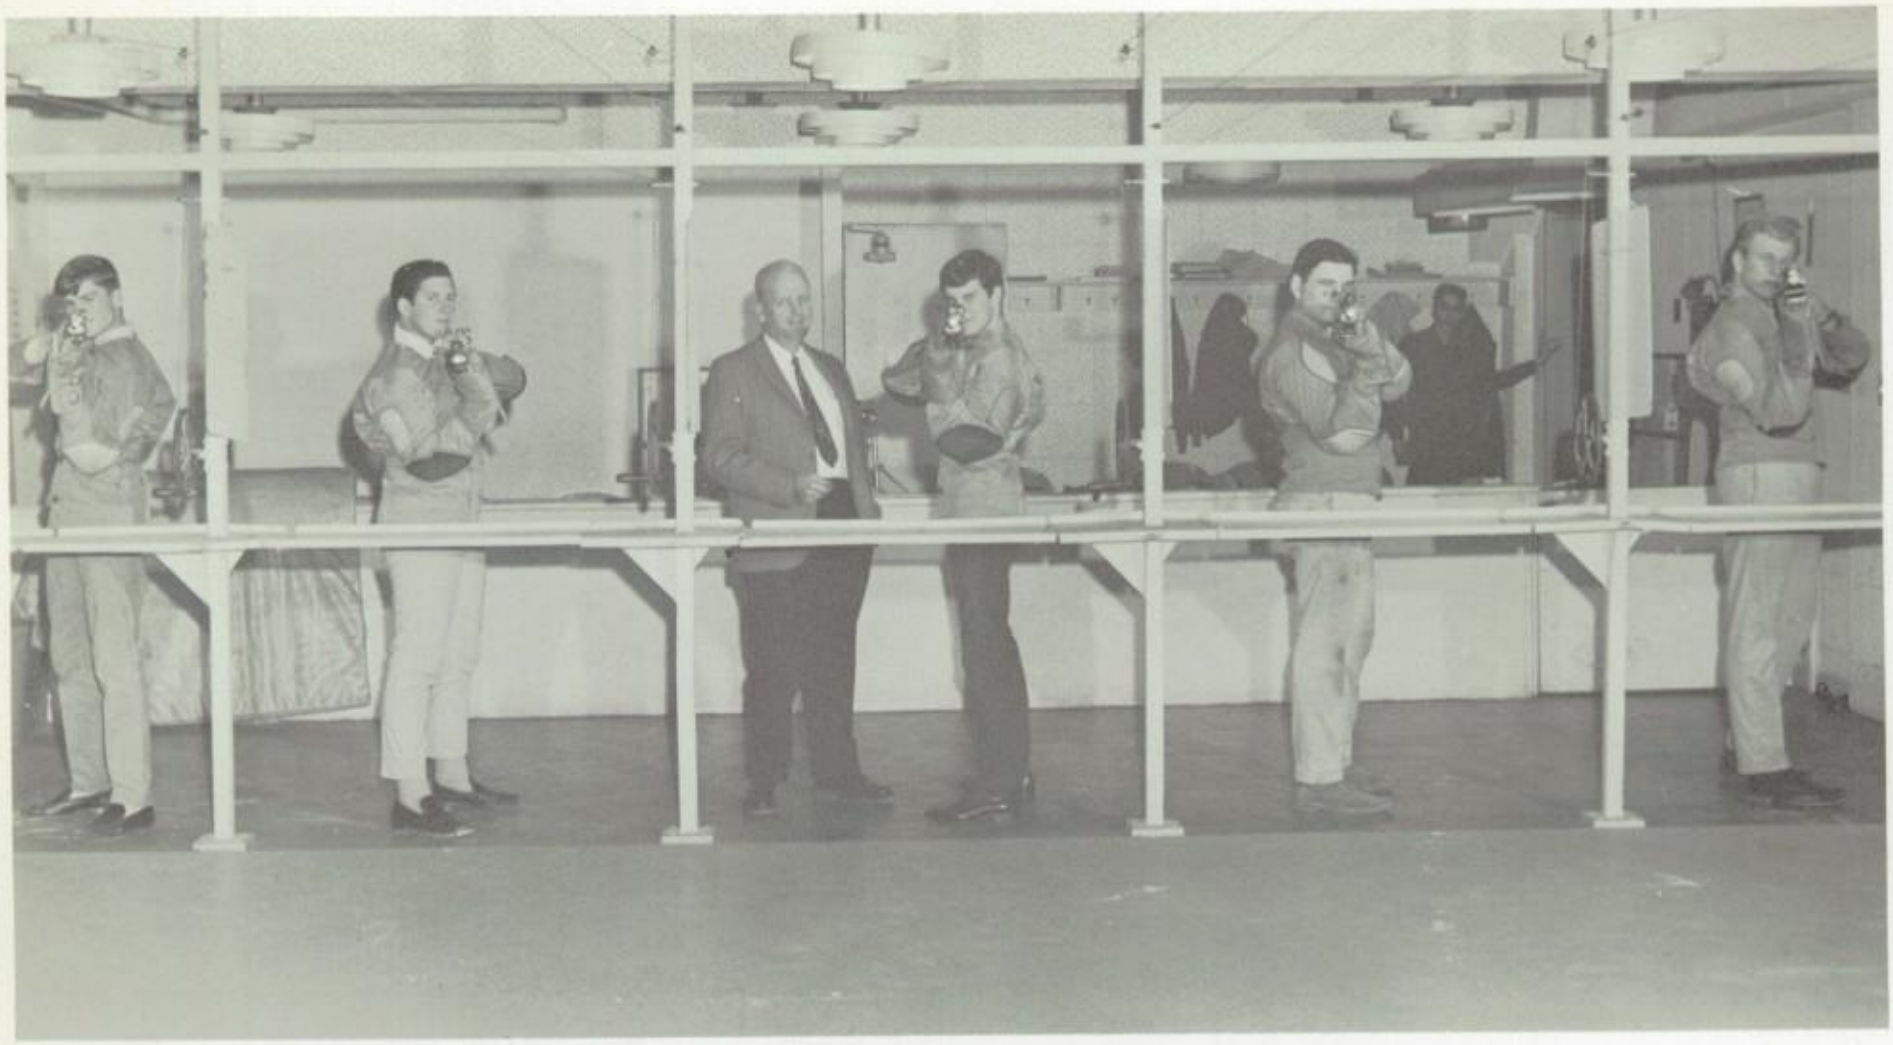
CROSS COUNTRY

The cross country team finished its season with a record of five wins and one loss. This was a great improvement over last year's performance. Top seniors who covered the 2.5 mile course this year were Steve McDougal, Pete Lum, Steve Irwin, Ken Hubbard, and Bill Gray. In the North Shore Tournament, Gray finished eleventh and traveled to Bear Mountain for the Intersectional State Championship.

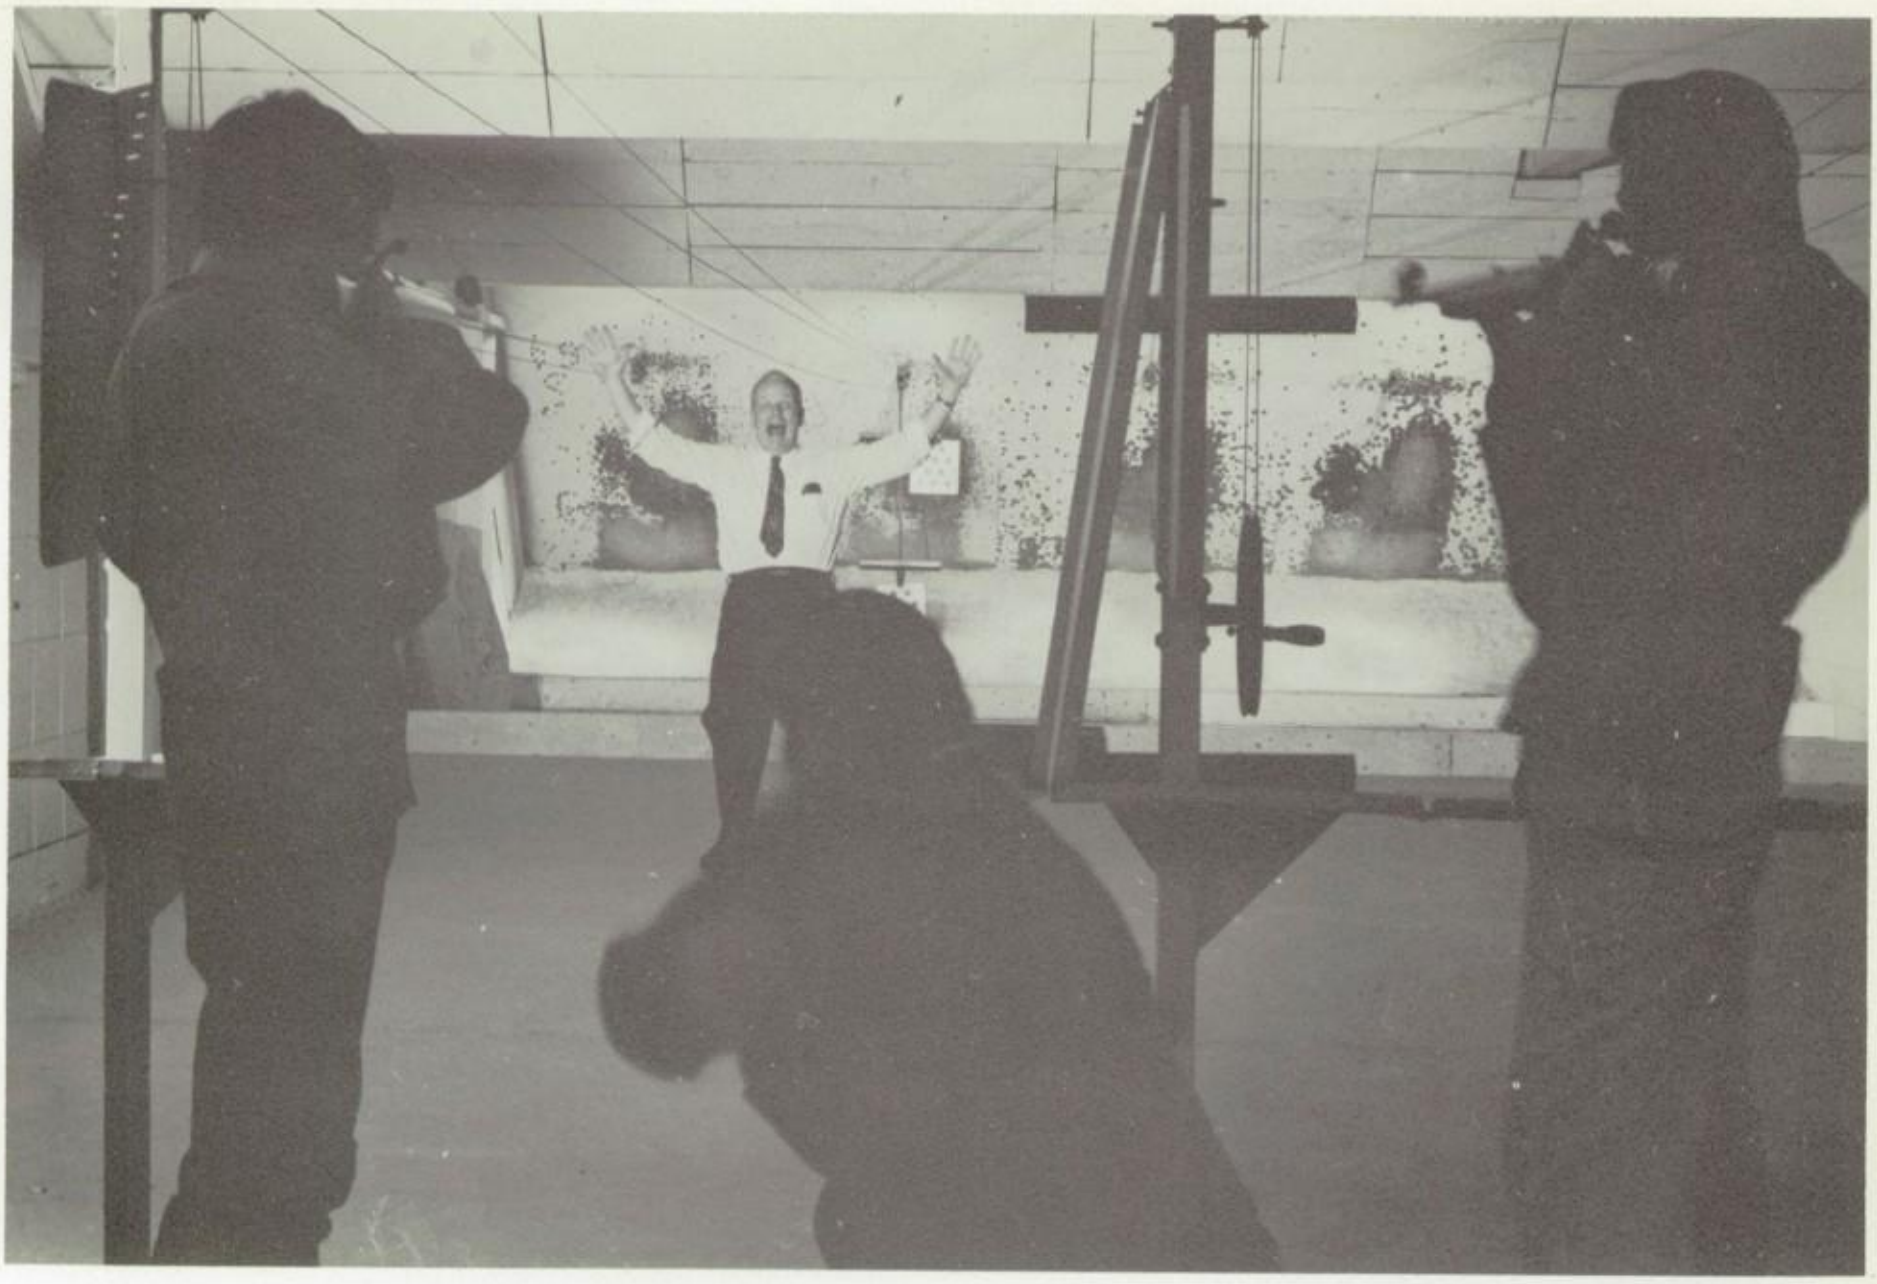
In the final meet against Bethpage, G.C. captured five of the first six places, with Steve Irwin taking first. "Bruni's boys" can look forward to a strong season again next year with Juniors Gilman and Billmeier and Sophomore Bob Laud.

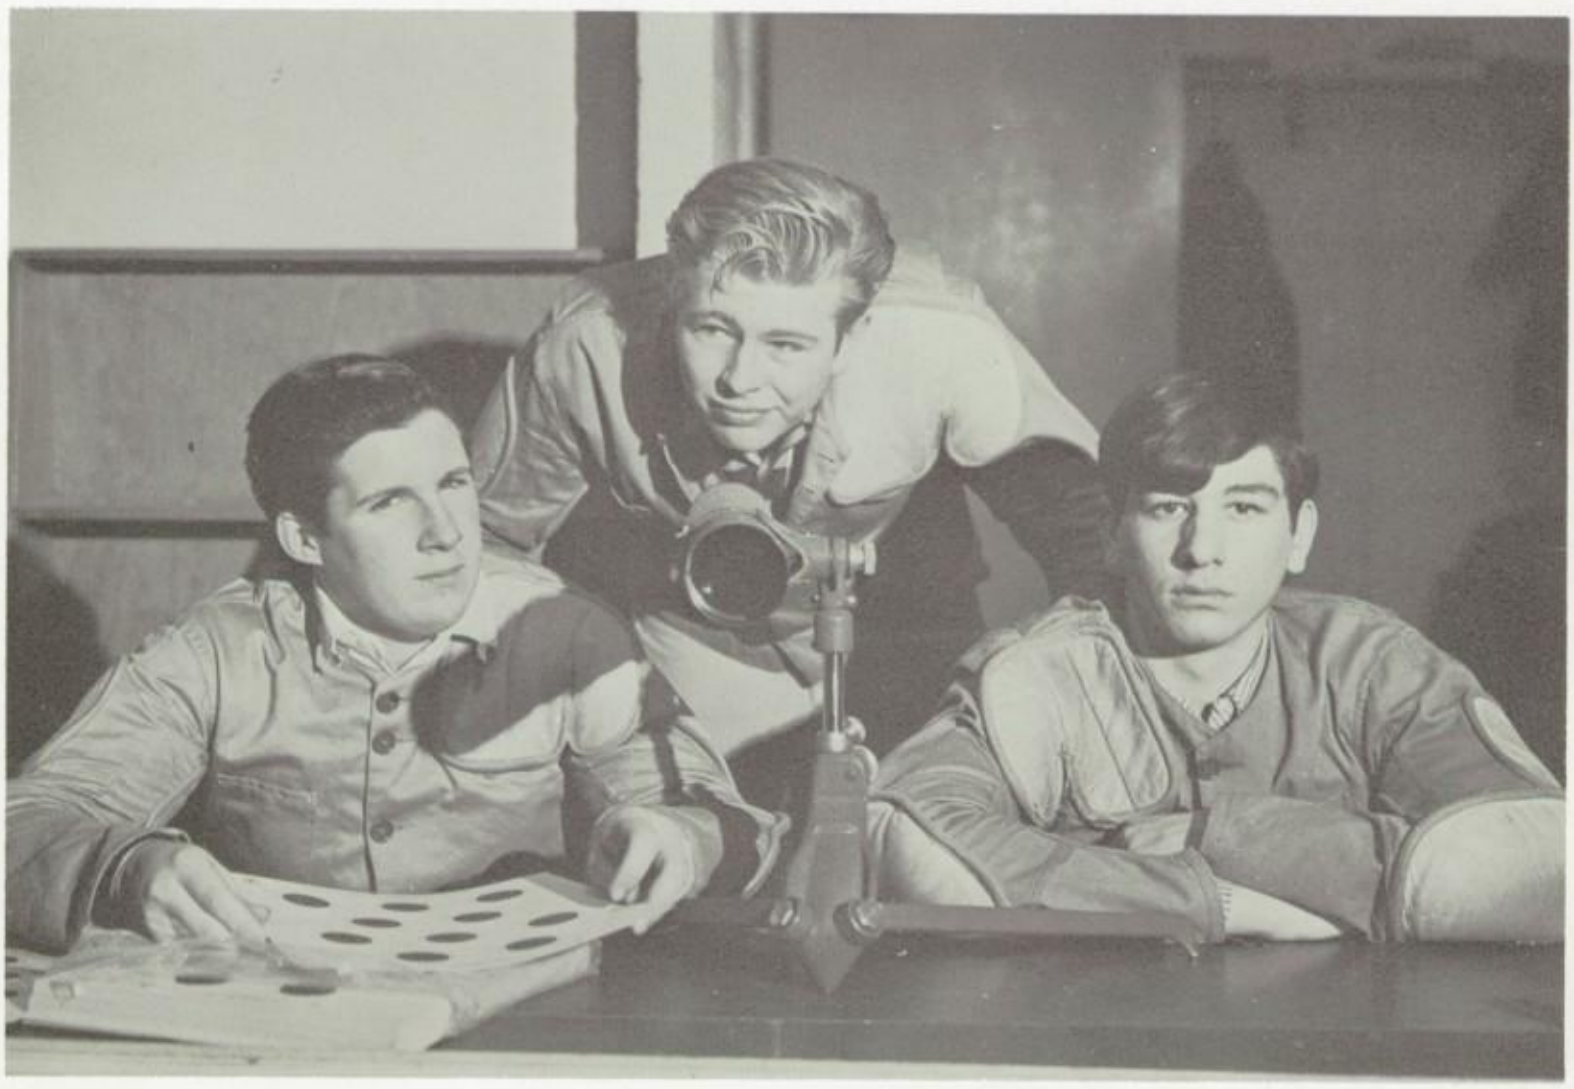


Left to right: D. Horton, T. Butler, Coach Cunningham, Capt. A. Greer, F. Owen, E. Docherty.

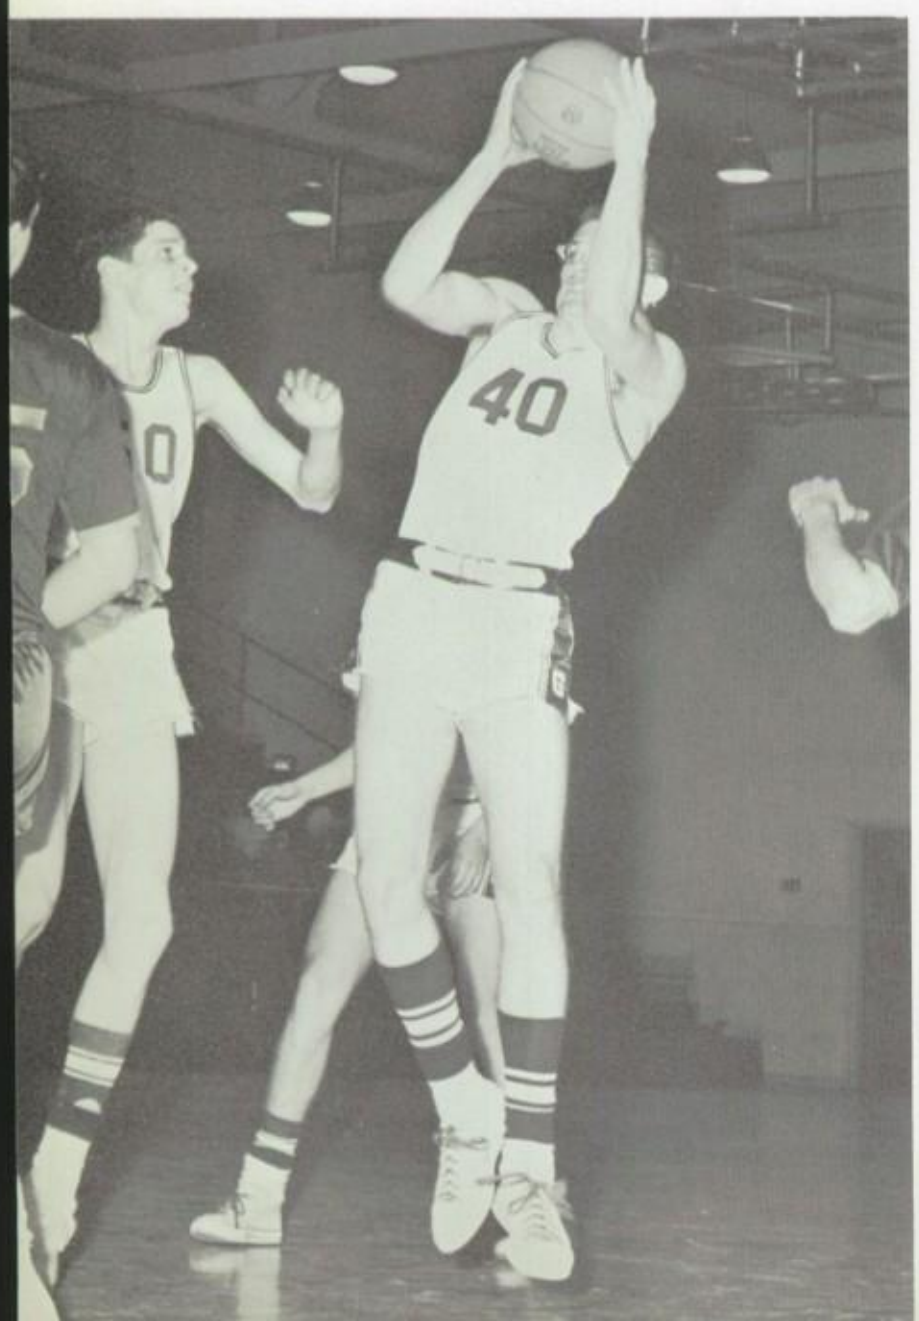
RIFLERY

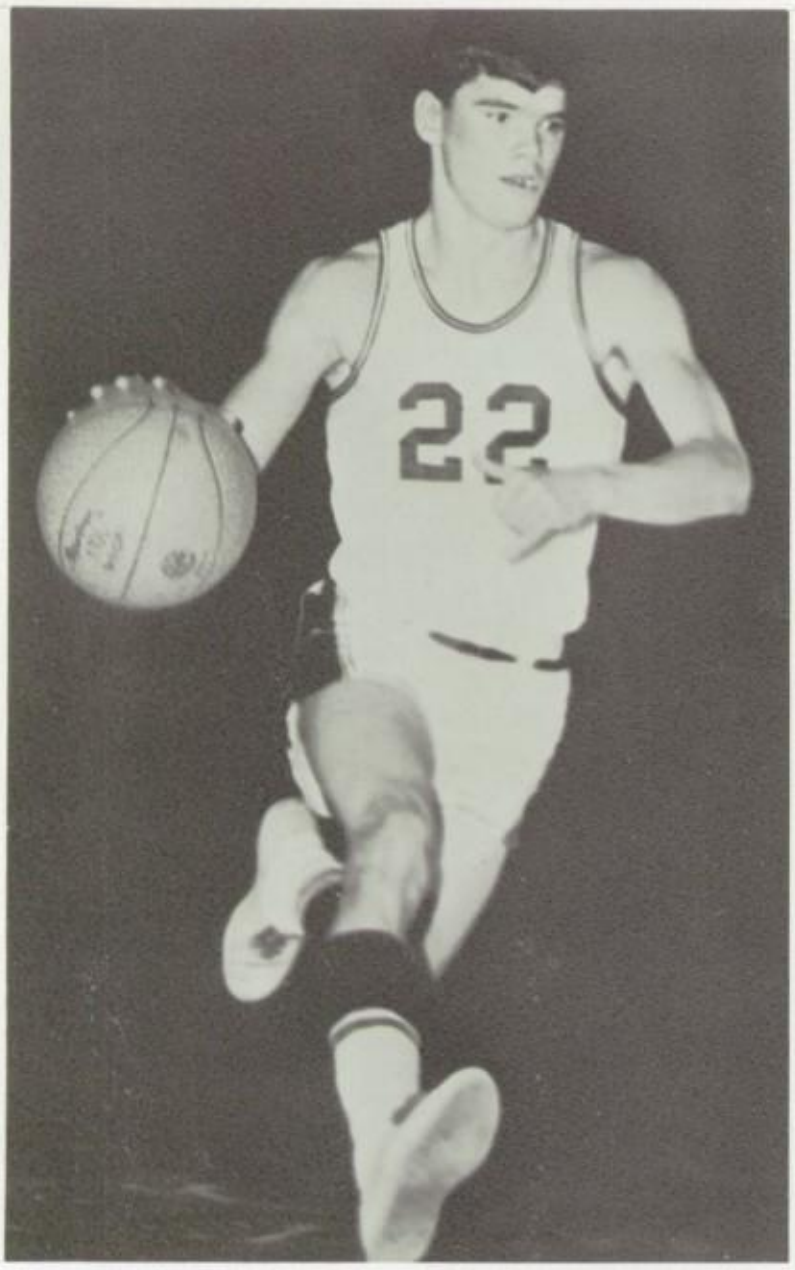
Coach Cunningham's varsity riflery team completed one of the most successful seasons in the history of our school. Many matches were won by marksmen Kip Owen, Don Cohn and Ed Docherty. Special mention should go to Captain Art Greer whose average was the highest on the team and who also placed eighth in county standing.

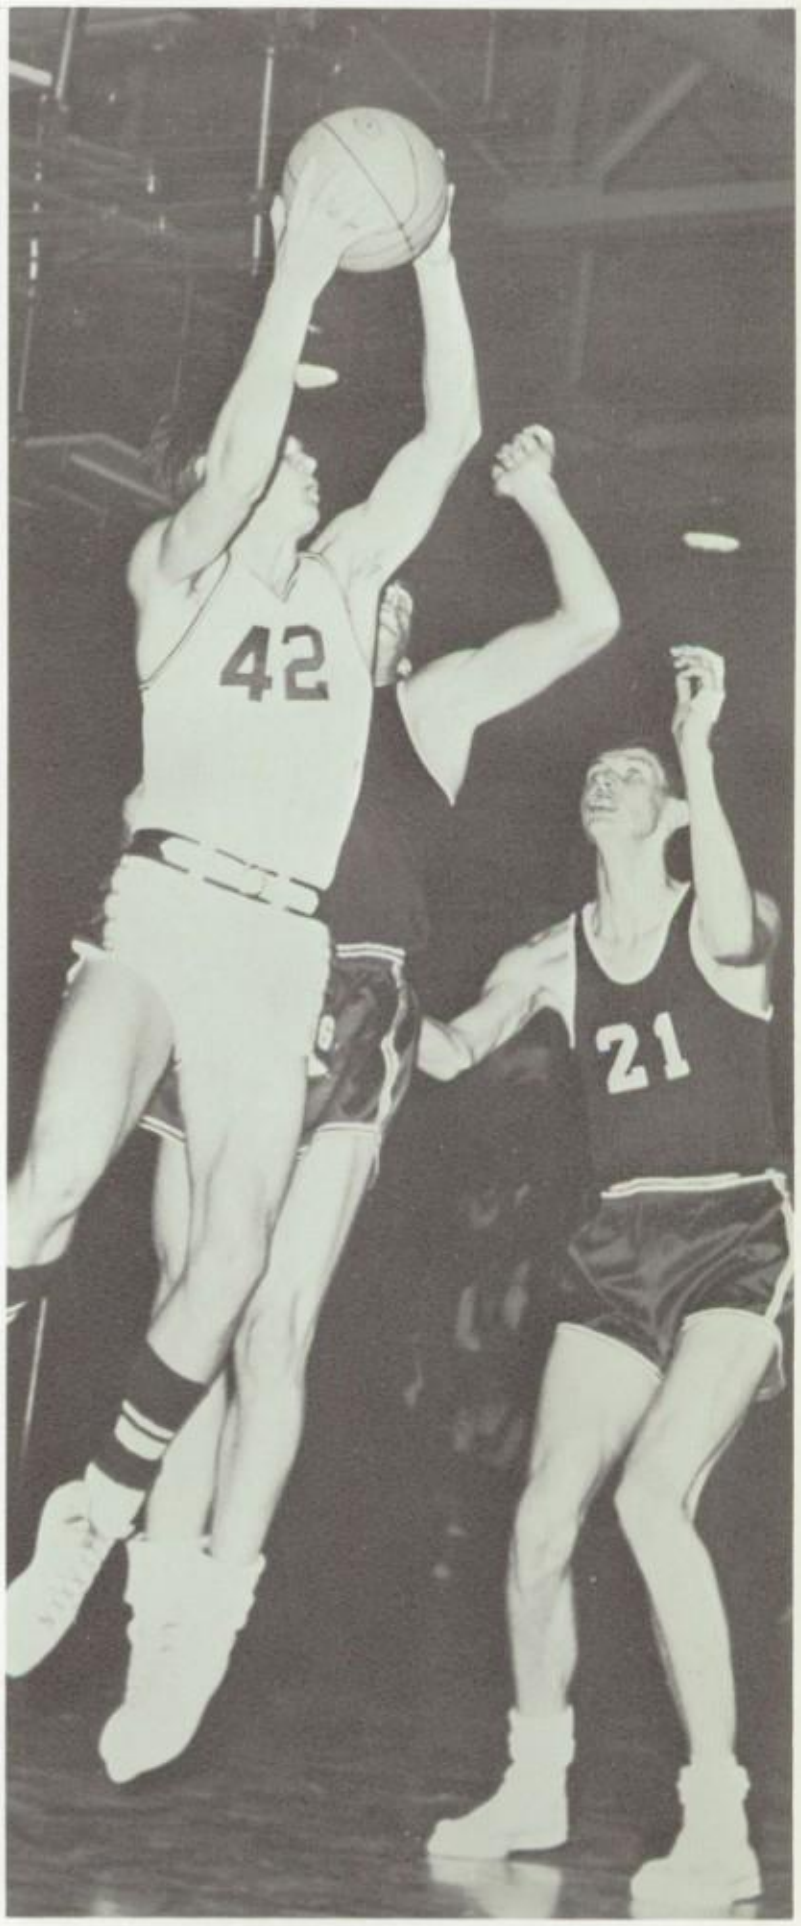




Bottom row: J. Ince, P. Lum, C. Greiner, Co-Capt. J. Roth, Co-Capt. P. Johnsen, S. Irwin, W. Fleming. Second row: Mgr. P. Lomedico, D. Graf, J. Latson, R. Volmerhausen, H. Ring, J. Sanzo, F. Siegrist, Coach Silvestri. Third row: Mgr. B. Stambough, R. Oram, D. Pleuthner, J. Dunn, B. Rix, Mgr. T. Smith.







BASKETBALL

Everyone thought Garden City would have a good team this winter because of its second place finish to Oyster Bay in the Summer League. But unfortunately, height seemed to be the determining factor in this year's competition. None of the starting team was taller than six feet, one inch.

The league season opened up with a loss to powerful Great Neck North. Scoring twenty-two points, Jim Roth played an exceptional game. A losing streak continued throughout the season with losses to Great Neck South, Herricks, and Bethpage. But this season can be counted as successful because we beat arch rival Mineola twice.

Many records were set this year, such as highest scoring game, highest scoring offensive team, highest scoring quarter, and highest scoring half. Individually, Jim Roth broke six records and was the second highest scorer in Garden City's history. (The highest Gee Cee scorer was Carl Braun, later to be a professional basketball player.)

John Ince consistently inspired the team with his accurate shooting and fine ball handling. Eighty percent of Steve Irwin's shots were from the foul line, and he did a more than adequate job ballhawking. Craig Greiner and Bill Fleming were invaluable as backup men.

Next year, the team will be sparked by returning starters John Sanzo and Captain Pete Johnsen, plus a number of experienced juniors.

WRESTLING

As was the case with the basketball team, this past season was one of rebuilding and preparing for the future for the wrestling team. With only three seniors on the first string, and not many more than that returning from last year's squad, the team was understandably weak at first. However, as the season progressed, the team improved, and by the end of the season many of the grapplers showed great improvement. Among these were seniors Jim Rice, Paul Brennan, and Bob Carnegie. Underclassmen players included Larry Topping, Chris Connor, Bill Oswald, George Cook, Paul Schemella, Dave Banchard, and Peter Braseth. At the season's end, Captain Bill Green, Kenny Murray, and Rick Frisbie represented the team at the County wrestling championships. Only Green, who finished the season undefeated, advanced to the semi-finals, but Bill, just recovering from a stomach virus, was defeated.

First row: B. Ris, J. Donovan, P. Lomedico, M. Palmer, B. Ware. Second row: A. Dort, L. Peck, J. Dunn, M. Castre, B. Clarkson, H. Frank.

BOWLING

With the loss of 60% of last year's team, the bowling team was bowled over by its opponents. Returning from last year's squad were Larry Peck, Doug Danzig, Bill Hayes, and Bill Slocombe. In addition to these veterans, other members of Coach Slocombe's team were Jim Reinen, Don Moore, and Steve Nevin. Sorely missed this season was Henry Bardi. We all look forward to next year's season.

GOLF

The varsity golf team is looking forward to a winning season this spring. Coach Steen hopes for some exceptional performances from his boys and it appears that he won't be disappointed. Leading the team are Mike Castre, Bud Ris, and John Donovan. Others who will dig up the golf course at Cherry Valley are Bob Clarkson, Pete Lomedico, and Jay Dunne.

Bottom row: J. Wefer, S. Nevin, B. Rosenberg, D. Danzig, D. Moore. Second row: W. Hansen, J. Reinen, W. Hayes, L. Peck, P. Johnston, M. Martuscello, Coach Slocombe.

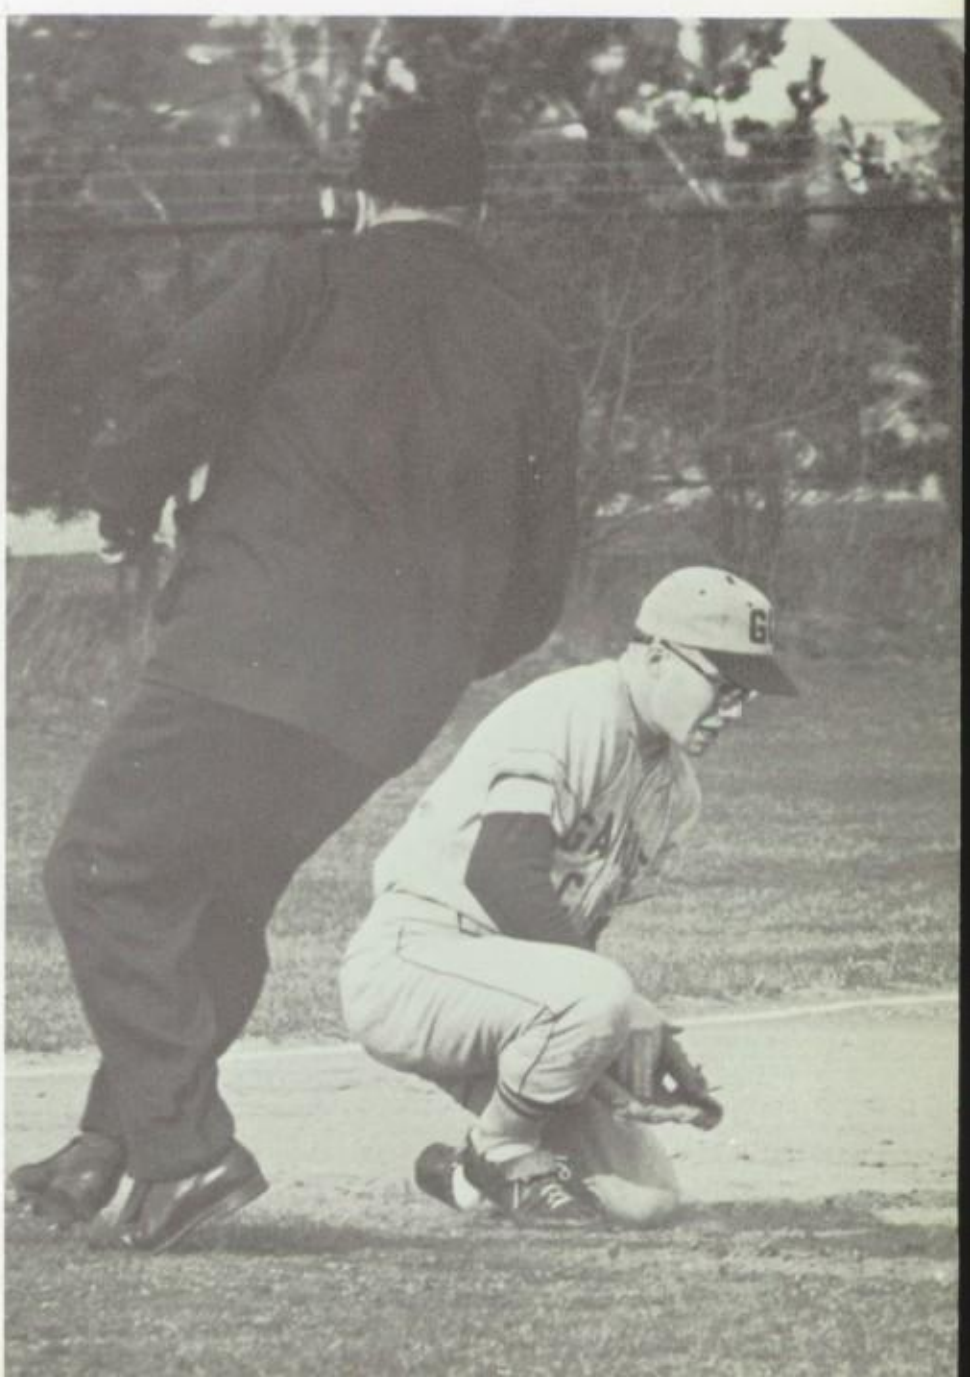
First row: C. Hewitt, D. Moore, G. Tobias, R. Oram, L. Conachia. Second row: T. Arcati, Manager, M. McElroy, S. Latham, J. Norris, R. Carpenter, B. Foxen, W. Sheldon. Third row: B. Rix, B. Maher, D. McCauley, P. Psaki, W. Hart, C. Greiner, Coach Riffle.

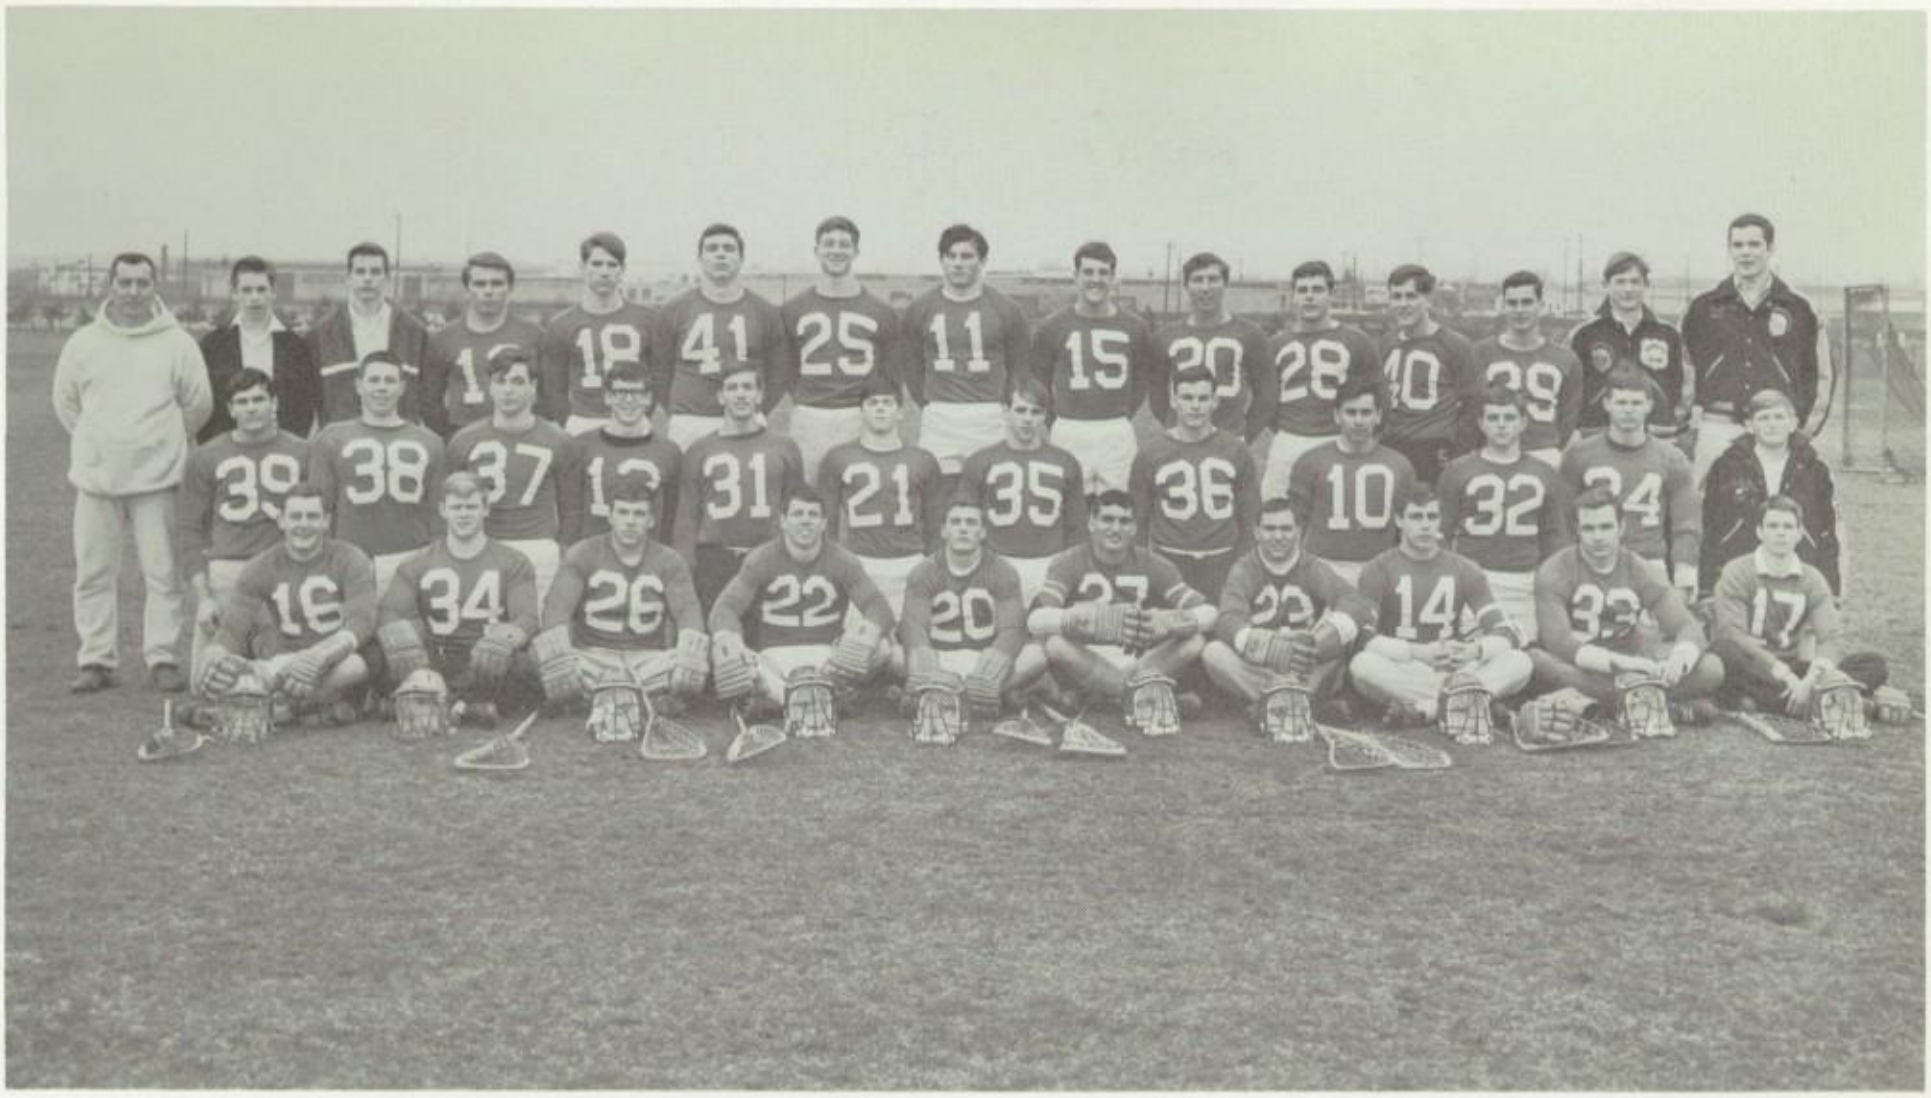
BASEBALL

Each year the baseball team has great potential and outstanding players. But something goes wrong and the team finishes the season with a rotten record. This year may be one for victory.

The starting positions are as follows: Catcher Don McCauley nabs the curves and sinkers from pitchers Paul Psaki, Bill Hart, and Jeff Hill; at first, second, short stop, and third are Brian Maher and Larry Carnachia, Mike McElroy and Bill Sheldon, Craig Greiner, Geoff Tobias, respectively. Mac Norris, Bob Foxen, and Bob Orem snag down the flies and peg the ball the hundred yards to home plate.

Geoff Tobias, Mike McElroy and Don McCauley look good in the batter's box and should help Gee Cee run up some good scores. With a little luck to go with its great ability, the team can improve greatly over last year's record.





First row: M. Regan, J. Venier, R. H. Hicks, C. Rullman, D. Blattmachr, G. Natiello, R. Bankes, V. Topping, R. Billows, J. Ince. Second row: C. Vince, M. Gatto, J. Latson, B. Schaff, S. Middleton, B. Albegese, A. Lewis, D. Pleuthner, T. Motamed, K. Hnis, P. Johnsen, G. Anderson. Third row: Coach Silvestri, S. Kilroy, T. Walb, B. Green, A. Lewis, G. Venables, D. Guenari, R. Frisbie, C. Cartnick, J. Rogers, L. Topping, S. Carde, D. Waag, P. LeSueur, P. Falk.

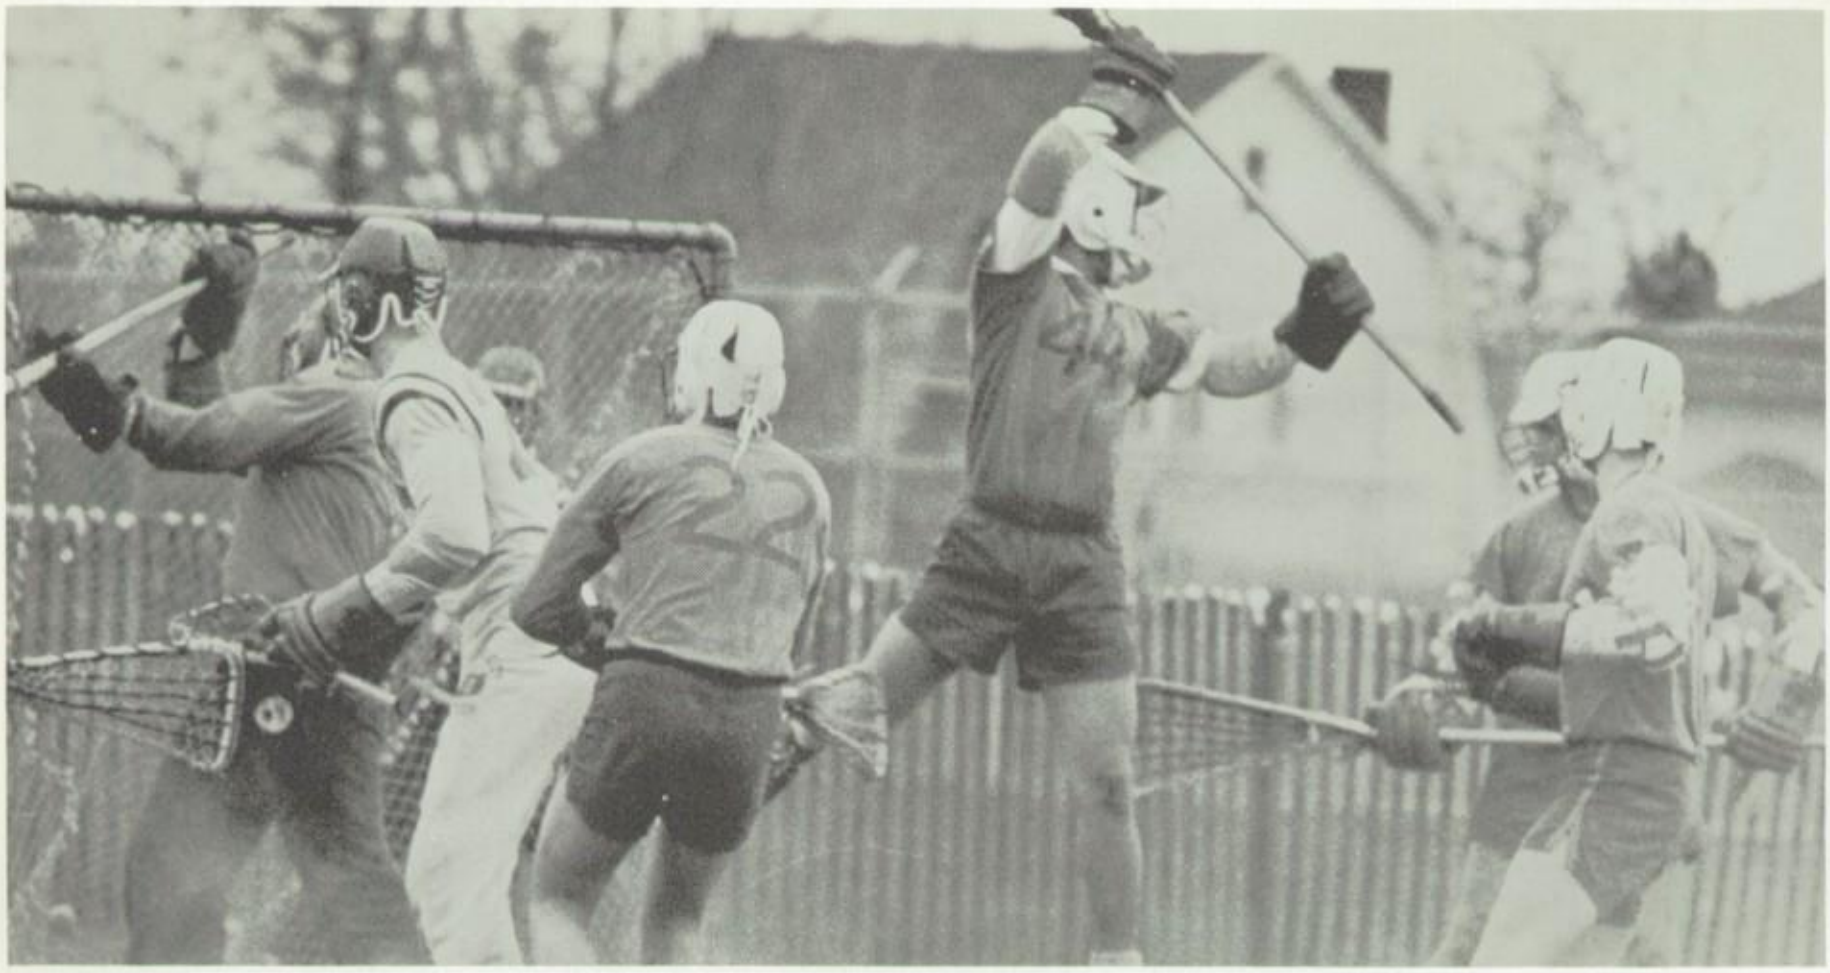
LACROSSE

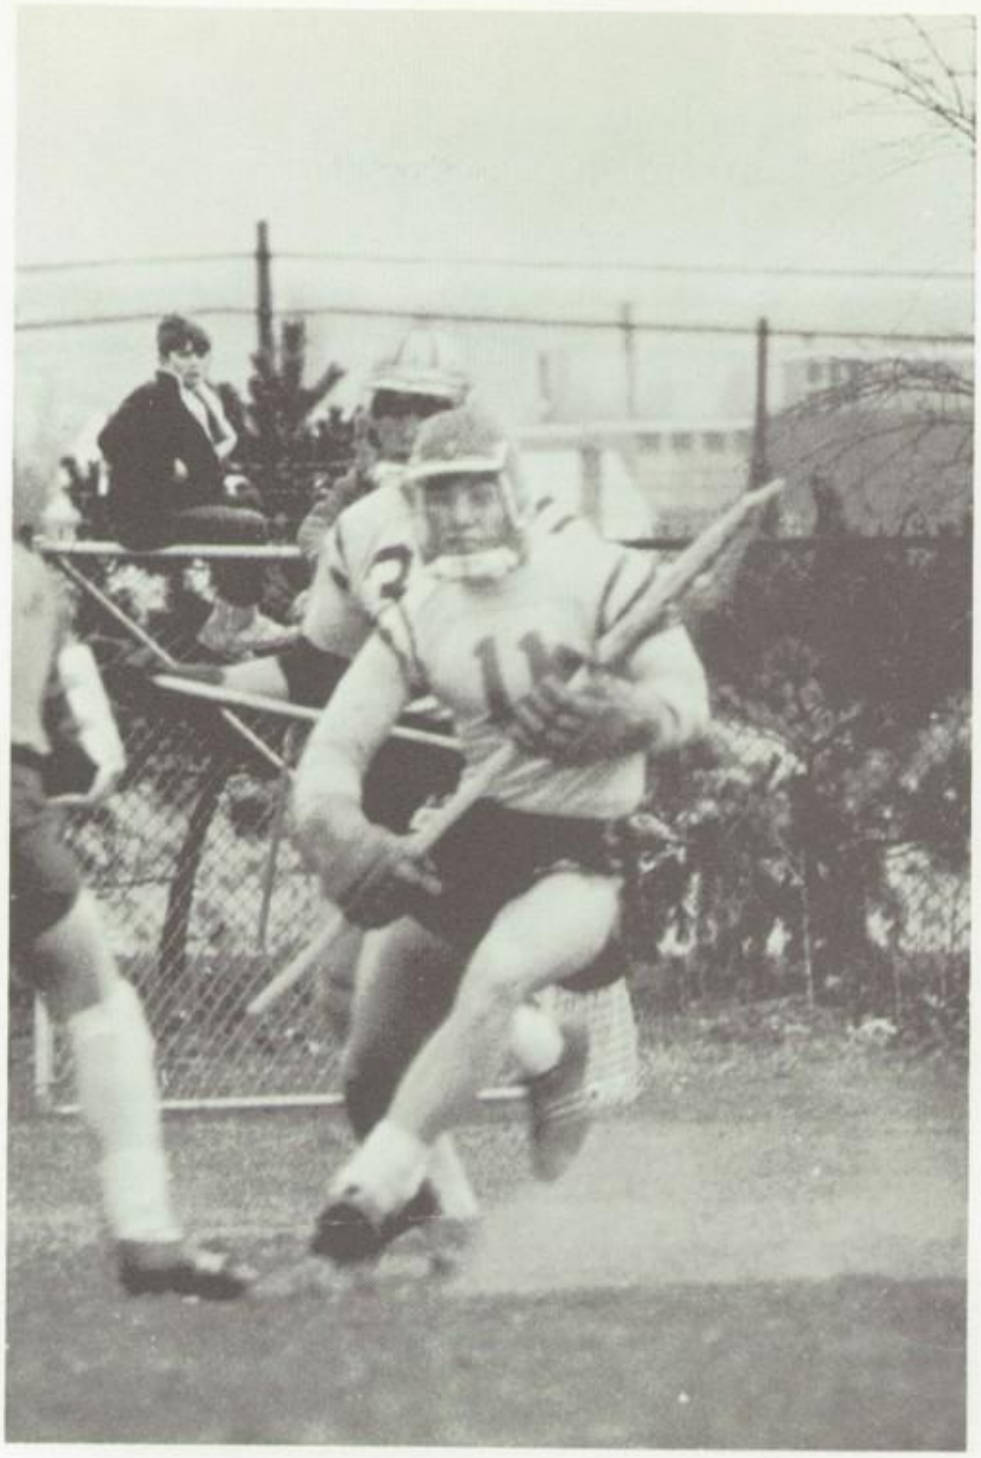
Will Garden City's magnificent midfield get the lead out of its pants? This seems to be the factor that will decide the fate of the 1966 varsity lacrosse team. We have been credited with having the slowest midfield on the island. But the boys who compose it, Mike Regan, Rick Frisbie, and Doug Blattmachr are good stick handlers and can run slowly up and down the field all day if necessary. Fierce Charlie Rullman, who foams at the mouth when the opposing team arrives, promises to crack a few skulls with his stick.

The attack men this year are fantastic. Russ Bankes is exceptional and will attack anything. John Ince is noted for amazing shots in front of the goal. He is also known for getting smashed to bits in front of the goal. Pete Johnsen should also score points with his wide variety of shots.

The defense looks ferocious. No one would dare go near the goal when the "red phantom," Dick Billows, is guarding it. John Latson, Jim Venier, and Glenn Natiello will fill out the defense line up with Vaughn Topping and Tom Motamed in the goal.

With this combination Coach Silvestri's team could easily win the division championship this year.





First row: B. Hanna, B. Giacinto, J. Raskopf, C. Mouzakitas, R. Taylor, K. Shlagle, R. Kollman, P. Dooley—Co-Captain, S. Baldwin, J. Roth—Co-Captain, J. Sweeny, S. Irwin, P. Lum, A. Ringelstein, R. Donnelly, J. Byrne, F. LaSala. Second row: S. Reininger, R. Reilly, W. Mallouk, S. Madigan, T. Emmeneger, S. McDougal, C. Gilman, K. Hubbard, B. Billmeier, J. Post, V. Ray, R. Eckis, B. Laud, T. Bosch, J. Schweis, L. Thomas, D. Buckley, R. Arkans, N. Anderson, C. Smith, W. Hansen, T. Brazzo, J. Sanzo, N. Blakeman. Third row: Coach King, B. Gorin—Manager, J. Meci—Manager, J. Pendleton, A. Hritz, C. Reinhardt, M. Orvec, J. Walsh, B. Stambaugh, D. Graff, H. Ring, U. Sneak, K. Bauer, J. Coffee, J. McKeon, G. Melis, N. Parrott, P. Michaels, K. Neary, A. Pascale, R. Caine, T. Thomas, J. Whittier, B. Birmingham, P. Flogel, J. DeFillippe, V. Raskopf, Coach Horton. Missing: Bill Gray—Co-Captain.

TRACK

The prospects for Coach King's track team look promising this year. In the season's opener against Bethpage, a meet which the coach predicted would be close, the team won easily with a twenty point margin. In the sprints, Mark Oravec should do well along with Jim Roth, who will probably alternate between the quarter mile and the sprints. Phil Dooley and Andy Hritz will run hurdles, while Bob Billmeier, Steve McDougal, and Bob Laud compete in the 880 yard run. Steve Irwin will cover the course in the two mile run. In the jumping events John Sanzo will broad jump, Henry Ring high jump, and Steve Baldwin and Chris Mouzakitas will pole vault. Bill Gray looks strong in the mile.

GC

First row: B. Gilkes, B. Delany, K. Behrer, J. LeBars, D. Hoblin, B. Bahlke, P. Emslie, D. Brevoort. Second row: N. Serrell, A. Harrison, G. Gilkes, C. Hurt, J. Buschmann, S. Feyler, D. Garber, S. Mitchell, A. Forshay. Third row: L. Molter, D. Stemple, B. Collier, J. Arzt, K. Rickard, E. Earley, B. Addy, G. Van Buskirk, S. Finneran, L. LaMantia.

HOCKEY

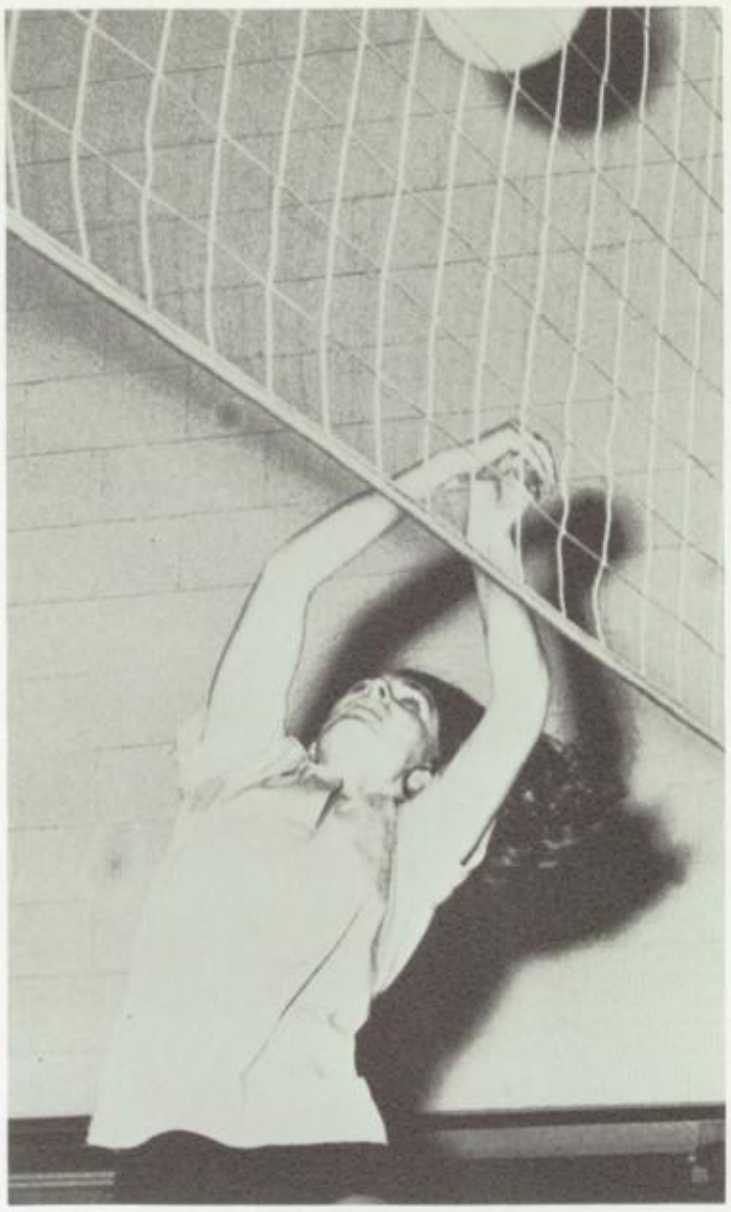
The potential of this year's hockey team is not reflected by its record of two wins, two losses, and one tie. The first two games of the season, with St. Mary's and Carle Place, ended in defeat. Midseason, the team played its most disheartening game. In the last five seconds of this game, the opposition, Port Washington, scored the tying goal. This disappointment sparked the team's enthusiasm, enabling them to achieve a substantial victory over Herricks. The hockey season culminated in an exciting, one-to-nothing victory over an undefeated Great Neck South team.

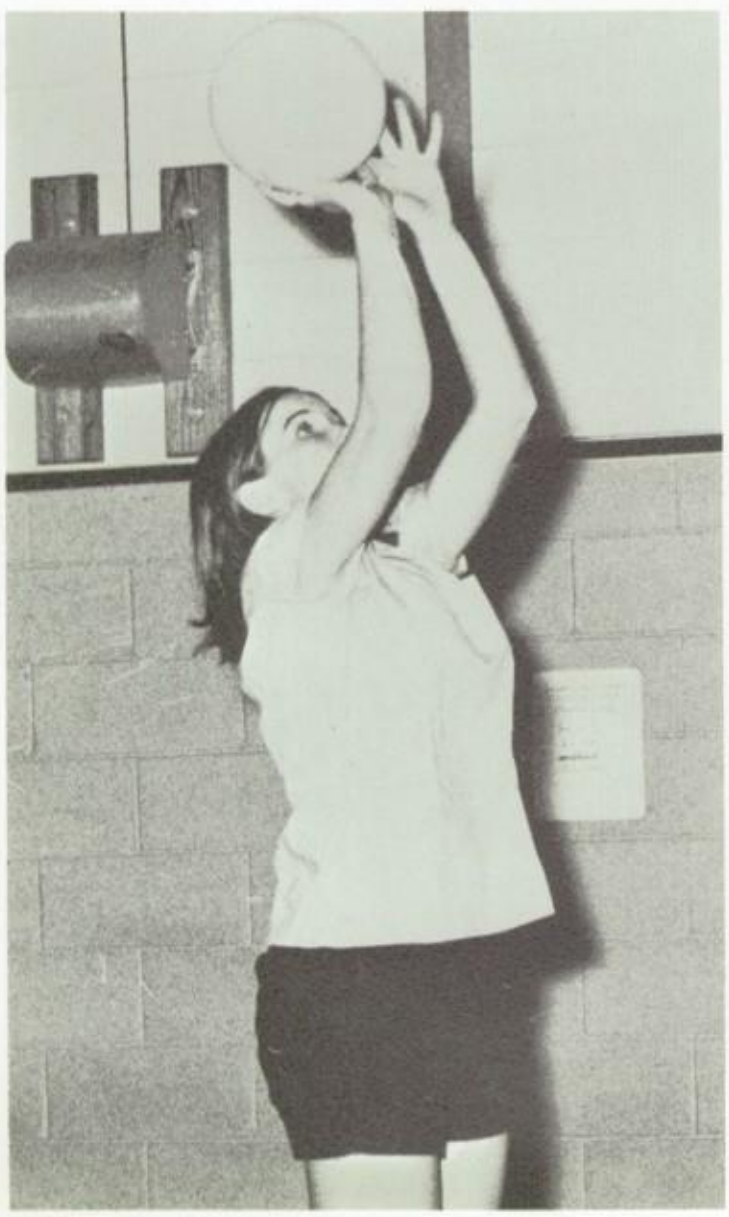
High scorers, Nancy Serrell, the team's enthusiastic captain, Sue Mitchell, Pat Hartmann, and Ann Harrison, were ably assisted by a strong team of defensive players including Gloria Gilkes, Gene Van Buskirk, Leslie Molter, and Sheila Finneran. Teammates Ann Forshay and Jane LeBars were equally essential as they maneuvered the ball to a scoring position.

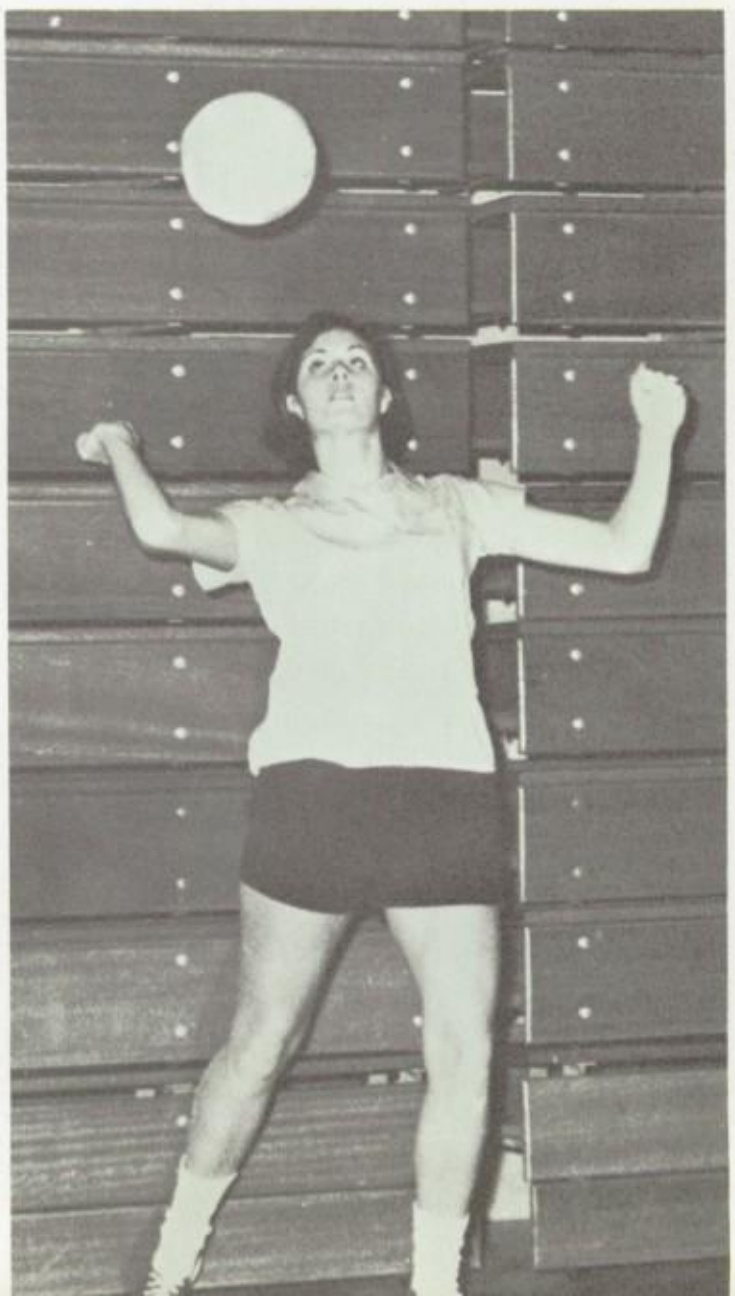
First row: M. Sherry, E. Earley, N. Serrell, G. Gilkes, A. Harrison, P. Hartmann. Second row: M. Wright, L. Nelson, M. Perry, P. Mitchem, A. Forshay. Third row: C. Hurt, B. Collier, S. Padden, B. Martone.

VOLLEYBALL

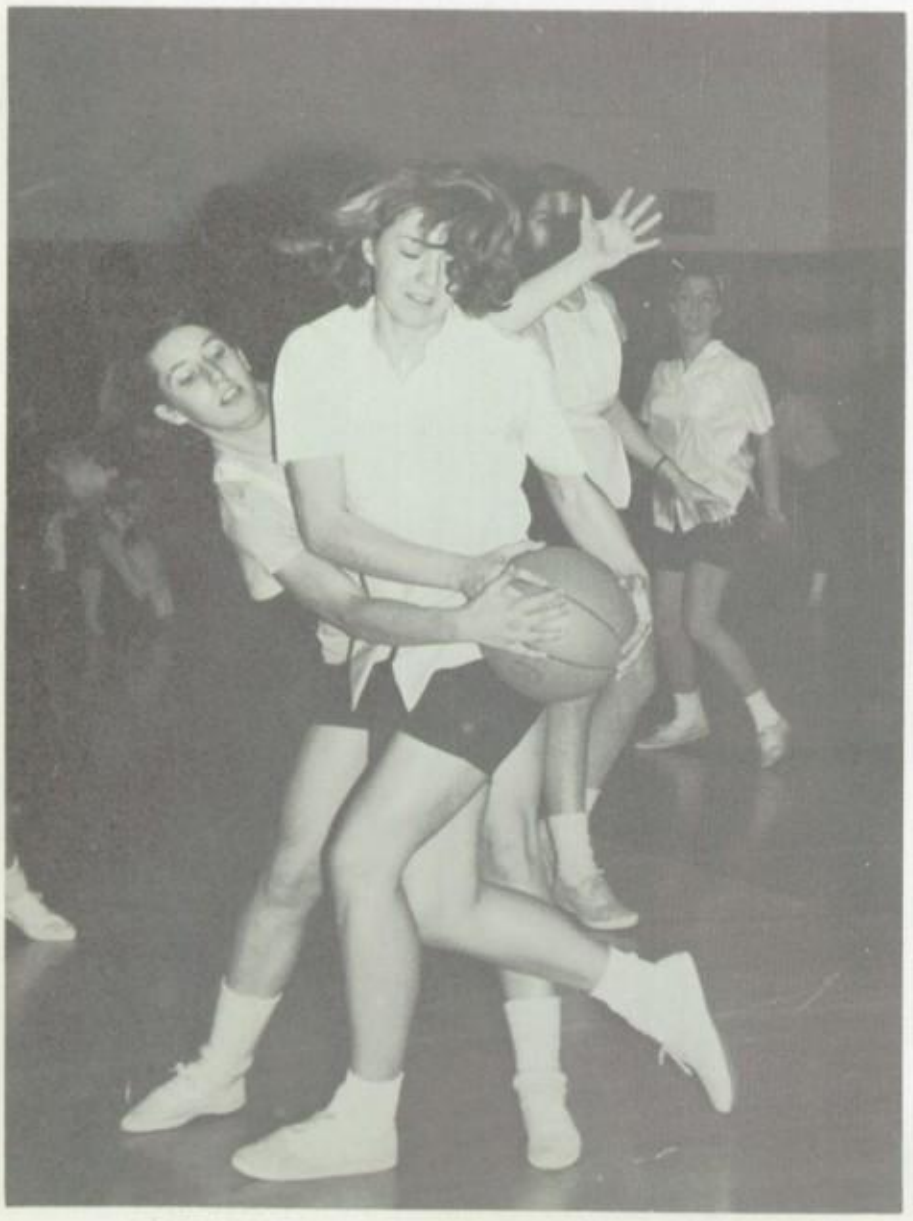
The volleyball teams representing Garden City consisted of first and second sportsday teams and three class teams. The first sportsday team's poor record may, for the most part, be attributed to the fact that the team found it difficult to play as a whole. In spite of the efforts of seniors Gloria Gilkes, captain, Ann Forshay, and Nancy Serrell, the team lacked the experience and drive to surmount this fault. The second team performed somewhat better with the assistance of seniors Barbara Martone and Sally Padden. However, prospects for next year are encouraging. The height and potential of this year's second team coupled with the seven girls returning from first team should prove a winning combination.





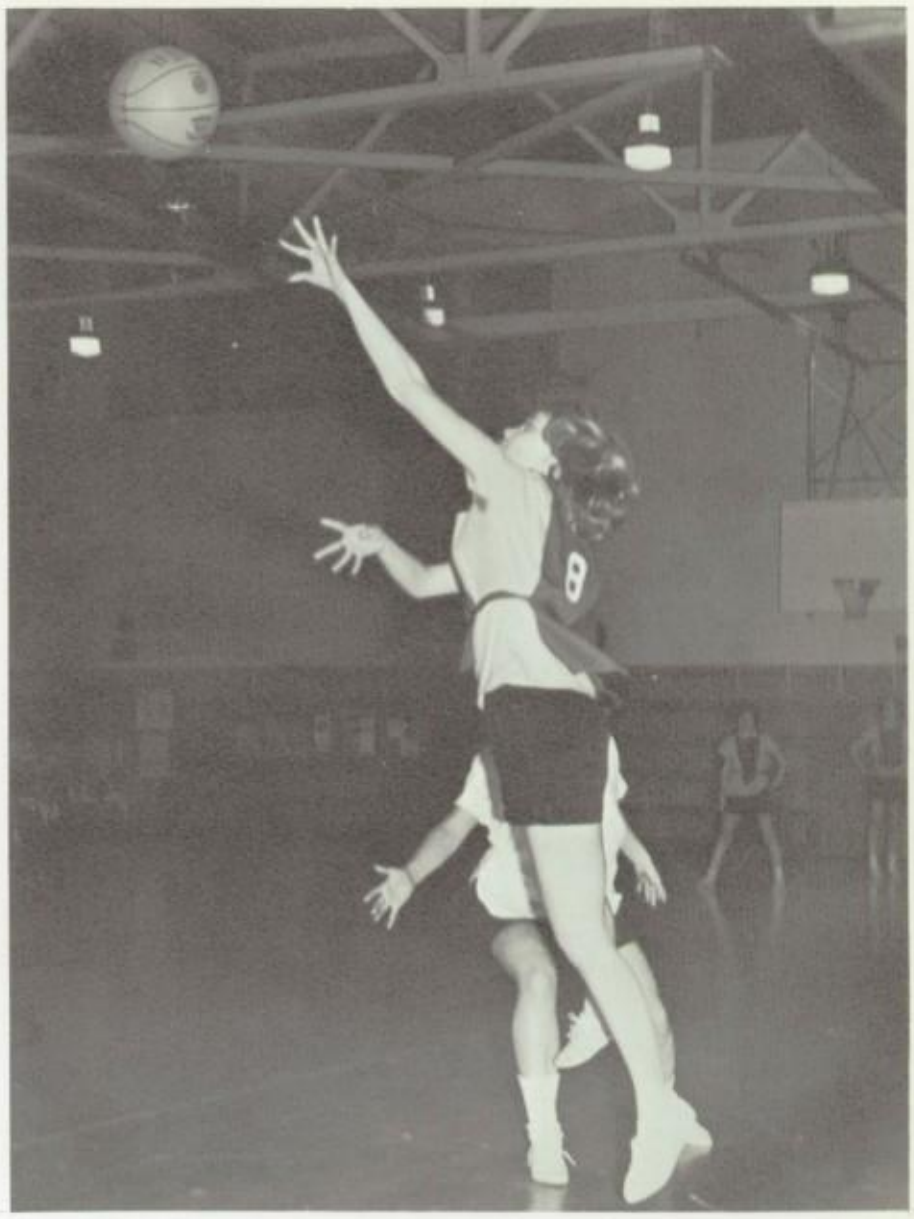


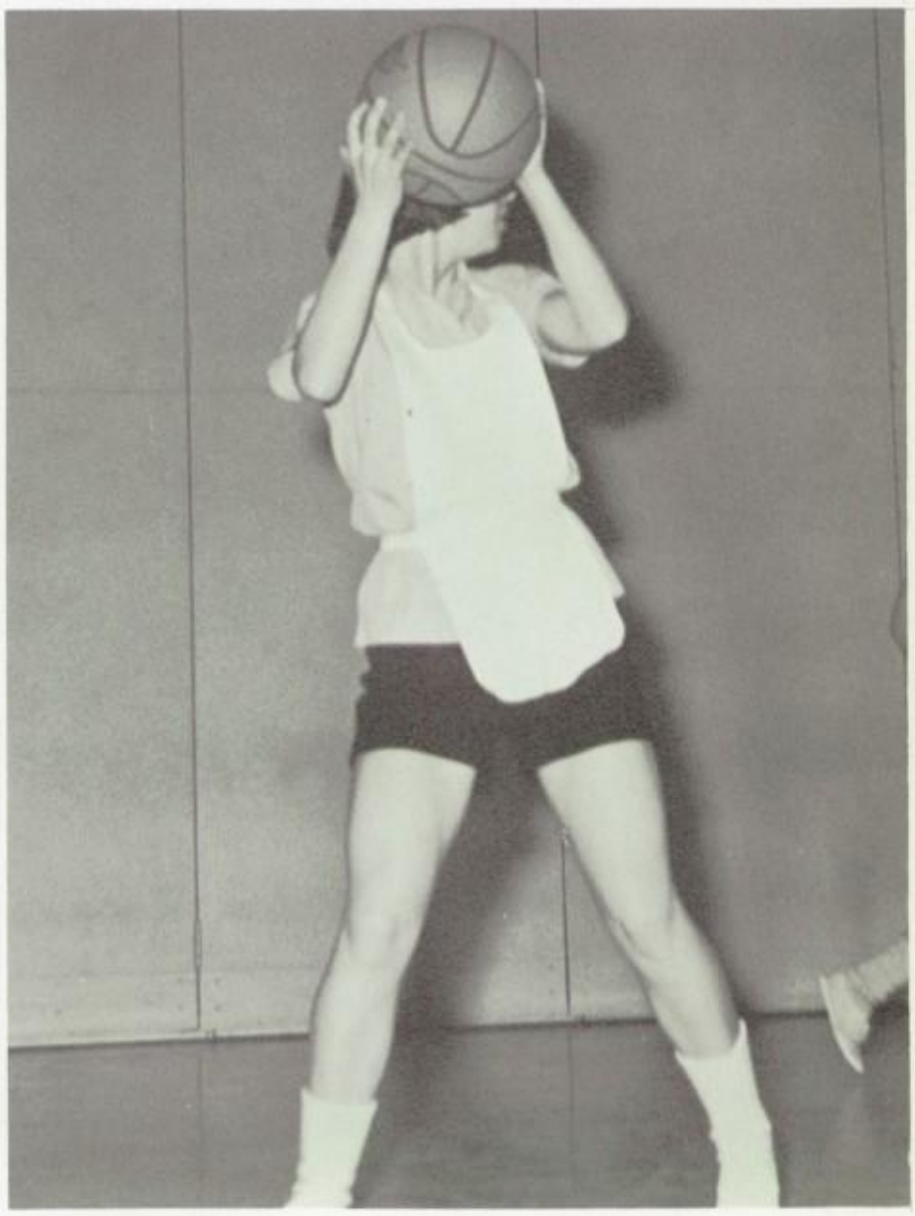
First row: S. Schuster, E. Earley, N. Serrell, G. Gilkes, A. Harrison, P. Hartmann, M. McDonough. Second row: T. O'Brien, M. Wright, L. Nelson, J. LeBars, M. Duffy, B. Blankley. Third row: J. Arzt, B. Collier, S. Mitchell, S. Padden, A. Forshay, G. Van Buskirk, J. Gray.



BASKETBALL

The lack of shooting ability was the unfortunate failing of this year's first sports day team, in spite of their capabilities in every other aspect of the game. Among those players who displayed outstanding effort were Sue Mitchell, Gene Van Buskirk, Sally Padden, Nancy Serrell and Ann Forshay. Equally essential to the team were underclassmen Sheila Finneran, Elen Earley, Maureen Duffy, and Monica Wright. The fact that the second team's record of 3-1 proved far superior to the first team's clearly indicates that the potential for next year's team lies in the abilities of the second team.





First row: J. LeBars, L. Nelson, N. Tantillo. Second row: L. Fieldsteel, M. Randi, P. Evans.

MODERN DANCE

The girls who participate in modern dance have two opportunities afforded them. The first is to learn new dance terms and movements in gym class and after school under the direction of Mrs. Chiate. In class the girls learn the eight basic dance movements and the necessary terms that accompany them. The more interested girls return after school for improvisation and learning additional movements.

The second opportunity is performance. The girls danced in a half-time show at a football game, performed in the PTA show and are to give a demonstration at the GAA Class Night. The PTA Show provided a number of opportunities for all styles of dance; Laura Nelson and Nina Tantillo, seniors, performed in several. Their loss will be felt next year, but two undercassmen, Margi Randi and Lori McGuiness, will be very capable replacements.

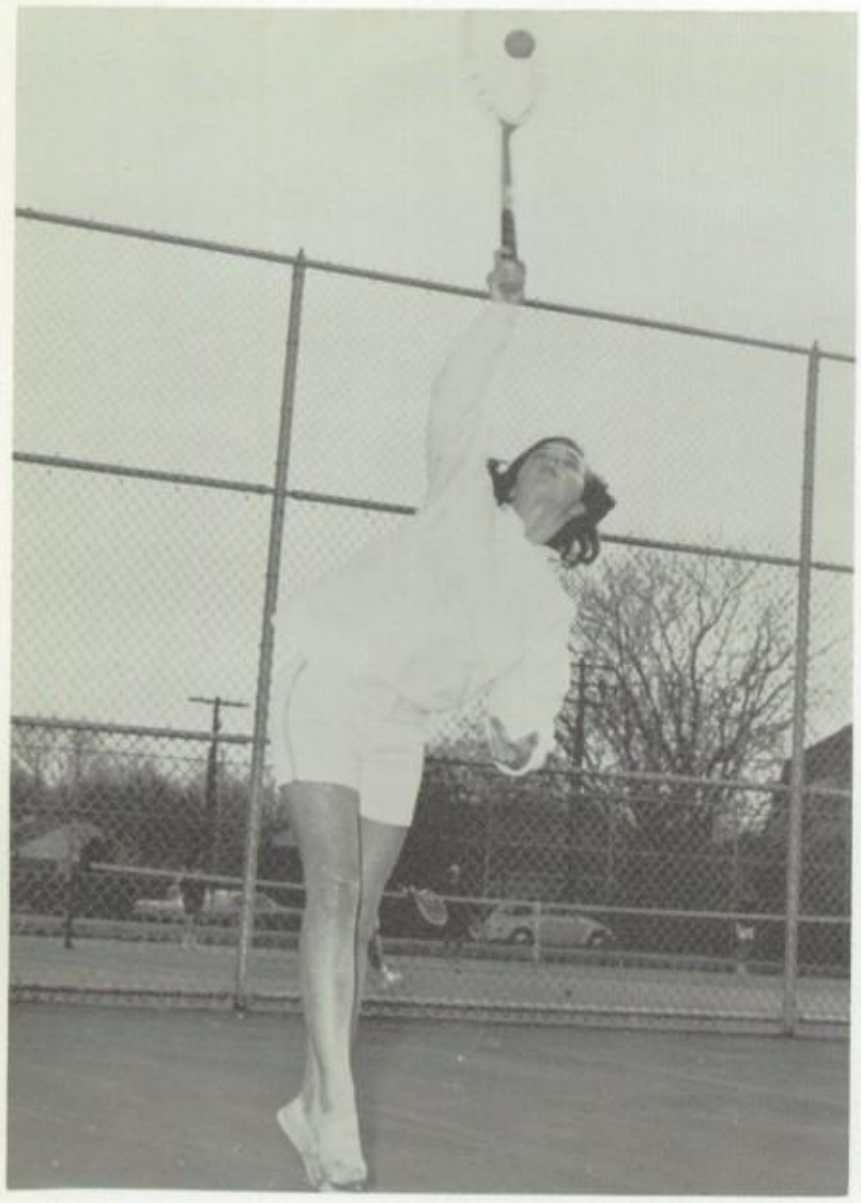
BOWLING

The girls' bowling team proved to be the most successful group representing Garden City this year. Under Mrs. Chiate's direction, the girls were able to remain undefeated throughout all their interscholastic matches. Garden City was fortunate to have a number of excellent bowlers. Mary Ehlers, Cindy Castellano and Penny Watson consistently performed exceptionally well.

Although the team had the advantage of such bowlers as these, the team did suffer one defeat—a defeat at the hands of the boys' bowling team.

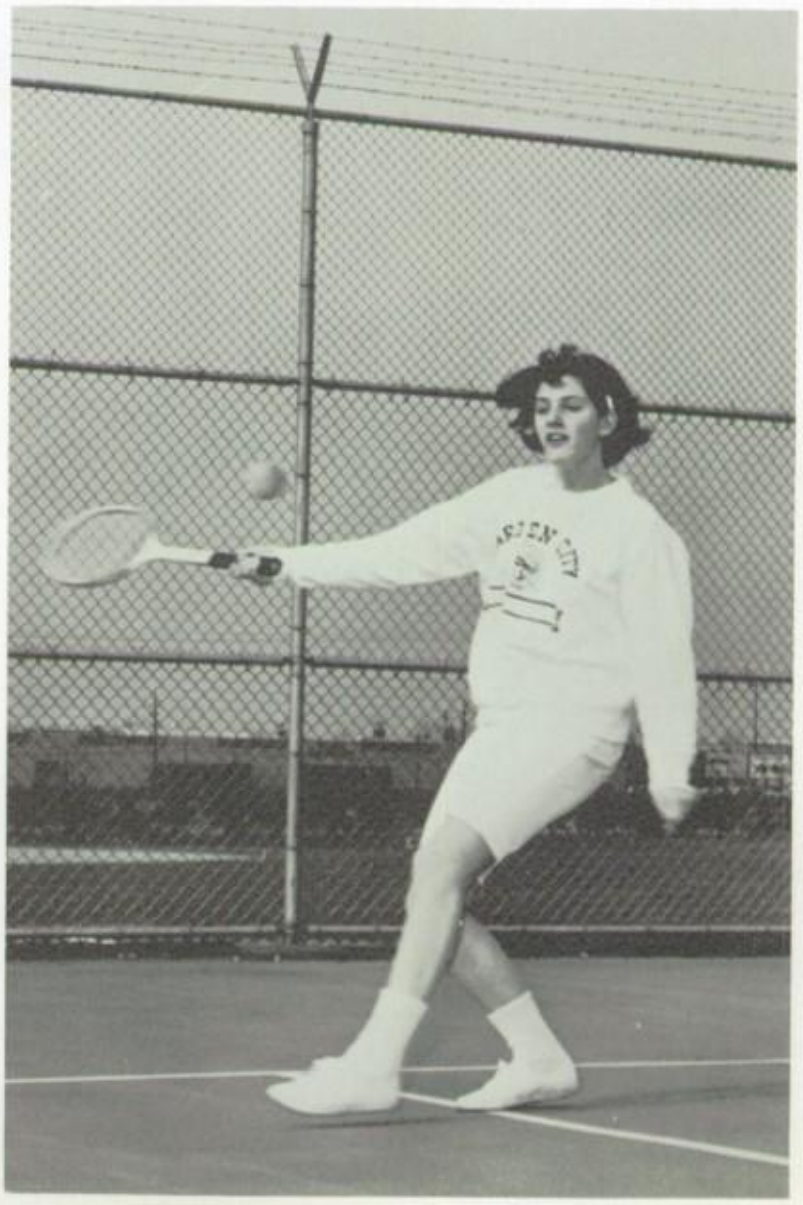
GYMNASTICS

Due to the acquisition of a balance beam and a set of uneven parallel bars, the enthusiasm for gymnastics, as reflected by the vast number of participants, has increased more than one hundred percent over previous years. Each afternoon, excluding Friday, swarms of Sophomores, Juniors, and Seniors come to practice on either the apparatus or the mats doing free exercise. The few more advanced gymnasts in each specific area are working to design routines for the fast-approaching Class Night Gymnastic Exhibition.



SPRING SPORTS

The spring sports' schedule includes lacrosse, softball, and tennis. As *Mast* goes to press, the spring season has not yet begun. Lacrosse promises to have a rewarding season under Miss Toner's able supervision. Returning from last year's first team are seniors, Gene Van Buskirk, Nancy Serrell, Sue Mitchell, and Ann Forshay, and juniors, Sheila Finneran, Pat Hartmann, and Mary Ann McDonough. These girls, along with a large number of additional enthusiasts, will provide the framework for a hopefully strong team. Lois Cartnick, Ann Harrison, Nancy Serrell, Linda Corey, and Sally Feyler will return as the foundation of this year's softball team, directed capably by Miss James. Mr. Corbridge's tennis team is dependent upon such able players as Sandy Sauer, Cici Fougner, Kathy Donahue, Laura Nelson, and Barbara Collier. With such a great number of experienced girls returning to participate in spring sports, the season should prove to be extremely successful.



G.A.A. OFFICERS—First row: A. Forshay, Vice President; N. Serrell, President; B. Gilkes, Secretary. Second row: M. McDonough, Publicity Chairman; A. Harrison, Treasurer.

GIRLS' ATHLETIC ASSOCIATION

The primary goal of the Girls' Athletic Association is to increase interest and participation in girls' sports. Every girl in the high school is a member of the GAA. The executive board is comprised of five officers and six delegates representing each of the three grades.

One of this year's activities was the sponsorship of a volleyball match between the girls' first sportsday team and the boys' intramural champion team, which resulted on a surprising 2-1 victory for the girls' team.

The most significant accomplishment of this year's GAA board is the organization and effectation of the first annual Class Night, scheduled to be held on May 6. This contest is inter-class competition in such events as basketball and volleyball games, tumbling competition, and relay races. In addition, scheduled for this evening are exhibitions in modern dance and gymnastics.

At the close of the year, those girls who have actively participated in sports will receive awards at the annual GAA Tea.

Year in Review

The Class of 1966 has survived three historic years at Garden City, years filled with innovation and tradition, excitement and conflict. As sophomores we were the trail-blazers to Stewart School; we broke tradition by selecting "round" class rings. As juniors, we were involved in the conflicts over the Student Court and the mascot. Junior apathy was conspicuously lacking: we eagerly dove into every activity in sight, sponsoring an informal Sadie Hawkins and finally giving the seniors an unforgettable send-off at the Prom.

When we claimed our places as seniors this year, we were confronted with several changes. Mr. Allen had taken over the duties of Mr. O'Sullivan as Assistant Principal, and a record number of SCB's were stalking the halls, pouncing on unsuspecting cutters and loafers. The SCB squad acquired the responsibility of collecting attendance slips, and the heads of SCB's popping in and out of classroom doors became a common sight. In addition to these internal changes, hammering, banging, and cold drafts in the gym wing were the less than welcome symptoms of growing pains, as the new wing slowly became a reality.

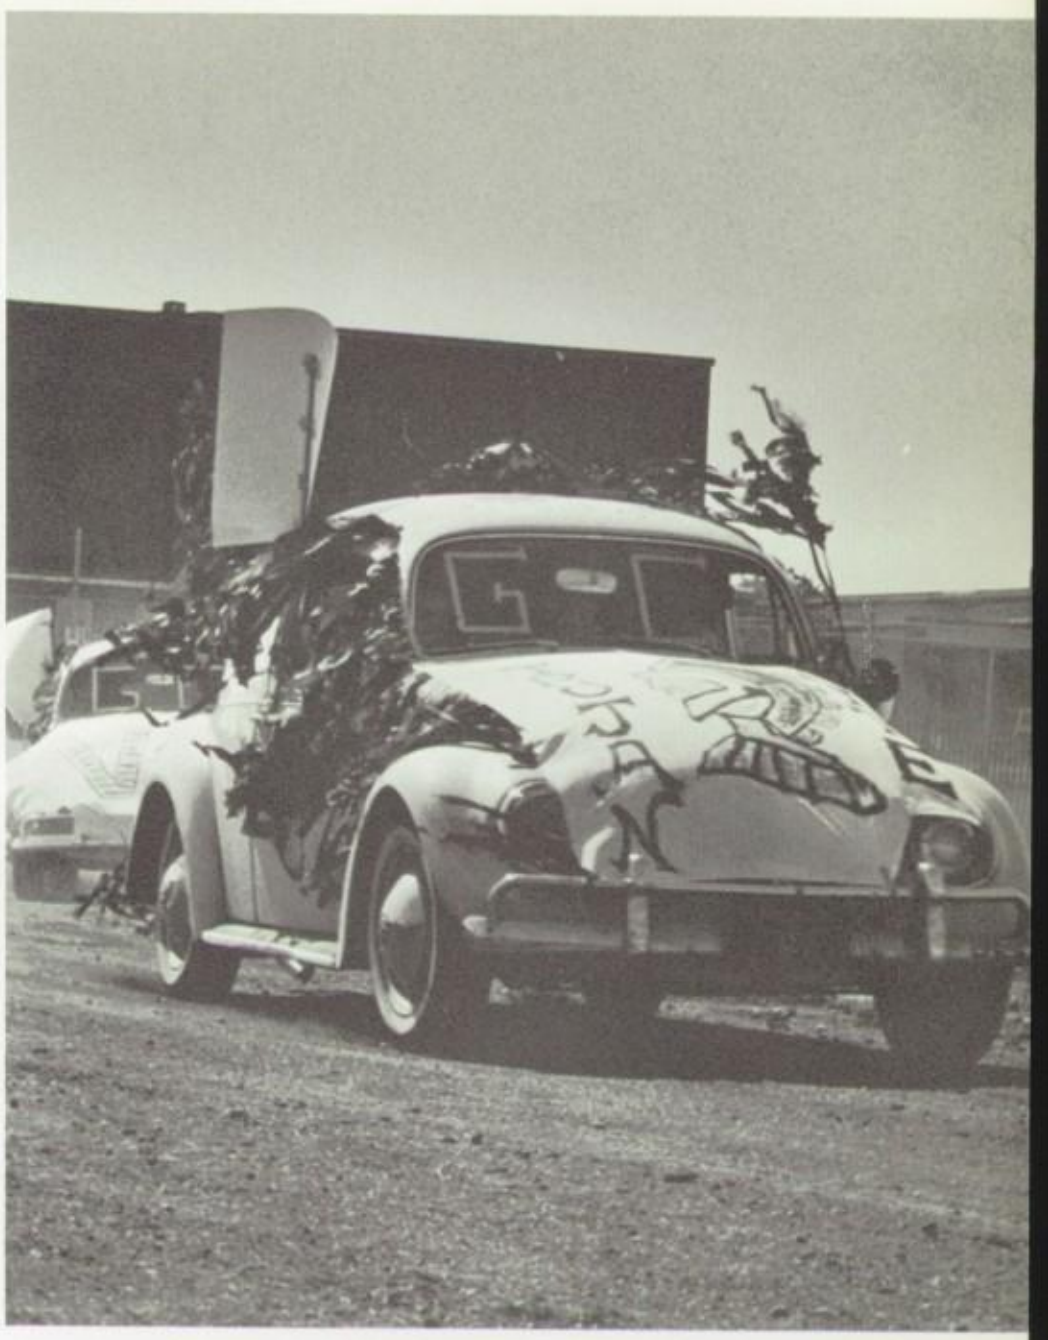
"Kiss me baby, nothing makes me sick!"

"This'll help sell those magazines."

The Senior Dance held in September turned out to be unusually successful (we broke even!) as did the Senior Bridge, which provided the last major contribution to the Class of '66. In the Magazine Drive, however, we proved ourselves no different than senior classes of the past—we didn't reach quota and we finished last in the school.

Before our newly acquired mascot (the Student Council comes through!) and a vast mob of frenzied Garden City fans, our football team mashed Mineola after seven years of futile effort. Steve Latham's soccer kick which scored the winning point will live forever in Gee Cee history, as will the wild victory parade through town.

In two October assemblies, last year's seven exchange students presented talks on their summer trips abroad. Margo Chagoll spoke on Spain, Alex Eckmann and Jill Hobson on Norway, Dianne Hall on Sweden, Nancy Lang of Holland, Bonnie Macandrew on Japan, and Carol Walb on France.

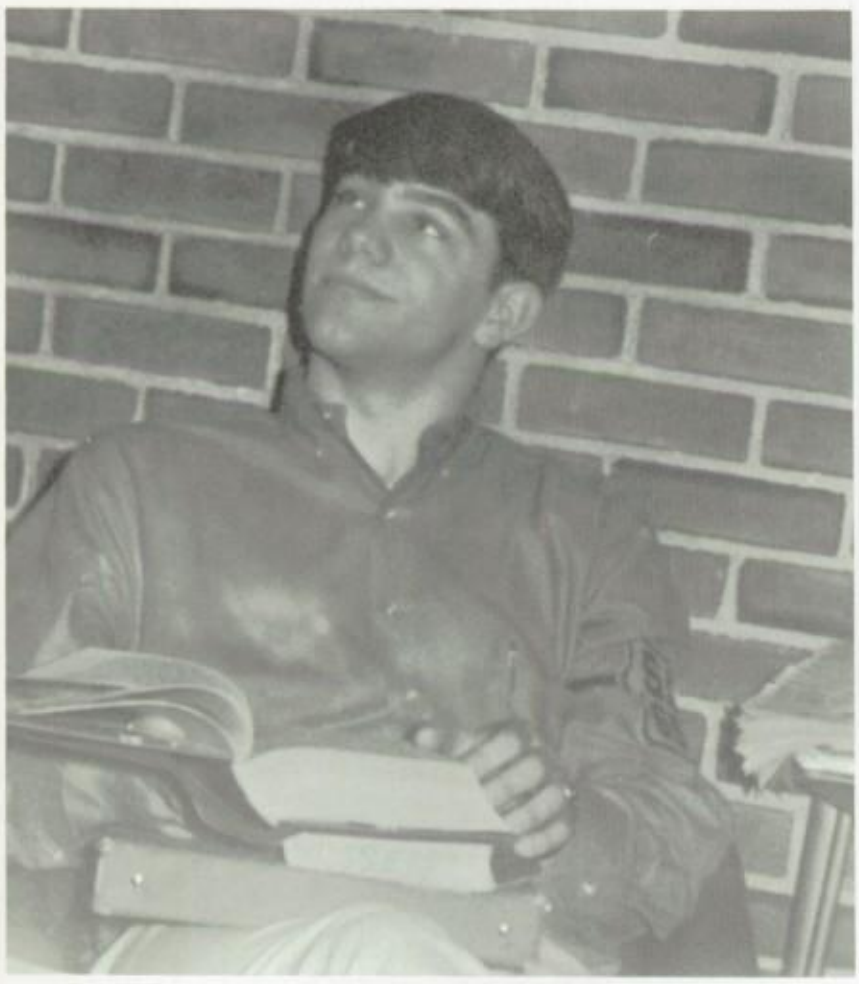


"Garden City has everything."

"I heard a glissando in that arpeggio."

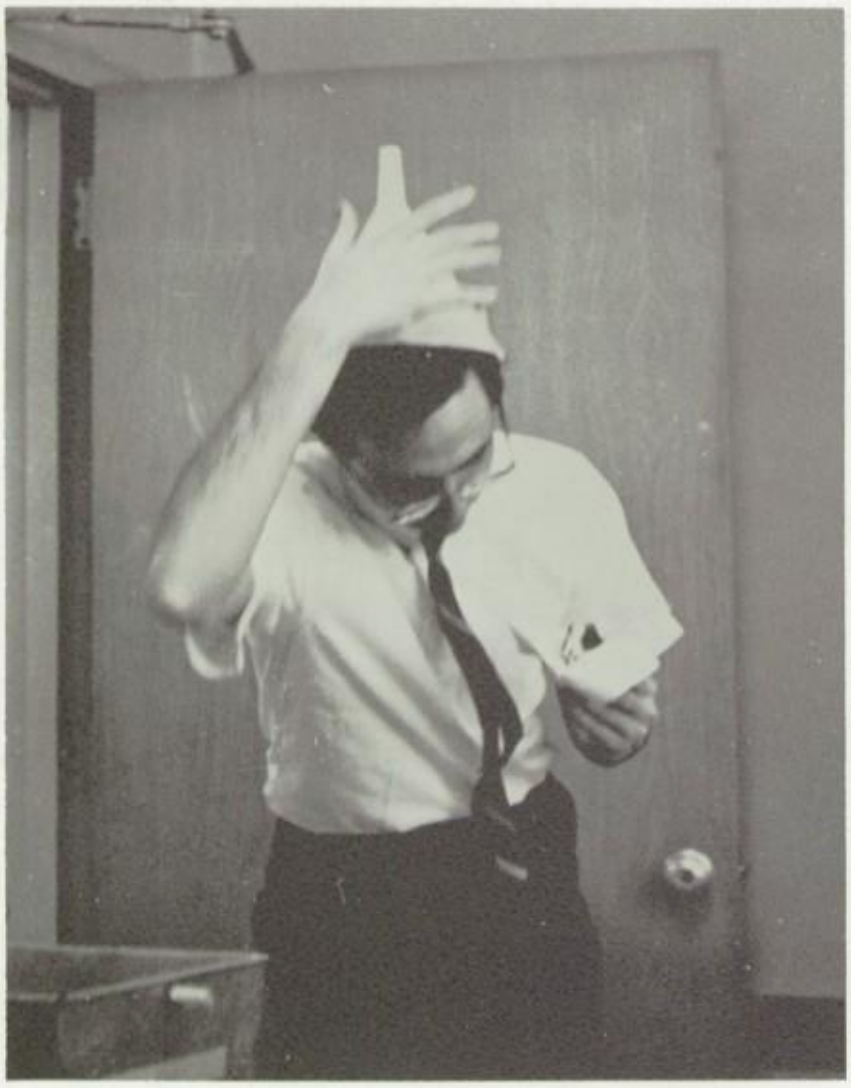
Dull moments were few and far between in the month of November. The Instrumental Department held a concert featuring the works of Sousa and popular music. On the following day, three Seniors (Tom Gilbert, Ron Ginns, Marcia Wright) ventured into New York for the taping of "It's Academic," a contest in which they finished second. Shortly afterwards the National Merit Scholarship program announced as semi-finalists seven members of the Senior Class (Tom Gilbert, Ron Ginns, Dianne Hall, Jeff Jenks, Lynn Manville, Sue Oswald, Marcia Wright), all of whom became finalists.

"The Snow Queen after her coronation."



"Just why can't I sit in the lobby?"

"Would you believe . . ."



"Gloriasky! I'm 1-A!!"

"Give me a stick and I'll kill it."

"Garden City on the move."

First quarter report cards soon came out and the long-awaited, long-debated senior privilege cards were distributed. Masquers provided us with some much-needed entertainment with "My Sister Eileen," in which Carrie Hayes and Nancy Lang starred. The Thanksgiving vacation followed on the heels of this production.

As the Christmas season approached, the halls outside the music rooms echoed with the rehearsals of the band and choruses preparing for their programs. They proved their efforts worthwhile at their performances, and they ushered in the Christmas spirit with a glow of inspiration. The night of the Student Council Dance arrived, and, after days of suspense, Beth Mann was crowned Snow Queen. Linda Capobianco, Toni Catanzaro, Bonnie Macandrew, Jayne Oakley, Carol Salvato, and Gene Van Buskirk comprised her court. We left for vacation, thankful for the rest but eager to greet the new year, *our* year, 1966.

"Lights, action, camera."

"Three little maids from school are we."

January galloped along at its usual nightmarish pace and culminated in the inevitable midterms. Meanwhile, our basketball team played out an erratic season. School spirit, however, was rarely at a loss, as John Newman and his girls cheered on our teams.

"This is even more fun than chemistry."

February managed to lift the mid-winter depression. On the 18th of the month, the National Honor Society held its thirty-first induction, admitting forty-three seniors in addition to twenty-two juniors. A record number of one hundred six seniors received Regents Scholarships or qualified as alternates. Rehearsals for the P.T.A. show began, often lasting long past school hours. Every available chair in the lobby was occupied by a snoring student, but dedication and interest was the prevailing mood. The Senior Party, held in the middle of March, was the last official event that belonged exclusively to our parents and us, and we all made the most of the occasion.

"What a way to make a few beers!"

"Mama mia!"

"Kovalcik swings."

When the P.T.A. show, "Sounds Unlimited," was at last performed in early April, all the hard work and creativity turned into magic. Under the direction of Mr. Chadderdon, the show was, by general consensus, one of the best that Garden City has ever put on.

"Hey Ken, turn the amp on."

"It don't mean a thing if you ain't got that zing."

"Did you ever see a dream walking?"

Although the Year in Review must end here because the great, dark *Mast* deadline looms close, we still have much to experience together before our ways divide. Late April means the Exchange Student Dance and the Student Council elections. June brings the Senior Picnic, the Prom, and Graduation. This senior year of ours will be over and done then, and all that will remain will be memories, warm memories. And although these memories will hopefully be with us always to brighten our lives, these memories will not be our lives; we will live in the present—with the fond past behind us and the hopeful future ahead.
